

22 May 2026

Dear Competitor,

As you are aware, there is a new mandatory cable required to be fitted to all rally trackers on multi-day events.

You may have completed a previous form, but we request that you still complete the new form so we can prioritise your entry for this event.

[CLICK HERE TO ACCESS DONEGAL CABLE REQUEST FORM](#)

This form is only to be completed by those who do not possess a cable already.

This form is not required if you are associated with one of the following teams:

- Tom Gahan Motorsport
- C-Sport Galway
- Tom Cahill Motorsport Galway
- Barry Doherty Motorsport Donegal
- Cathal Browne Rallysport Donegal

This form is also not required if you received a cable at either the West Cork Rally or Killarney Rally of the Lakes.

If you have any questions, please contact the Motorsport Ireland office and we will be happy to assist.

Kind regards,

Alex Sinclair
Sport Officer
