

## Bulletin 1: Updates

### Amendments and Modifications to the Supplemental Regulations

#### 1.3 Location of Rally Headquarters

Rally Head Quarters for Thursday and Friday has been moved to:  
Spring Hill Suite by Marriot  
201 Front Street  
Cheraw, SC 29520  
Conference room

#### 1.5 Location and time of Parc Expose

Friday night's Parc Expose will be in downtown **Chesterfield, SC** from completion of competitor shakedown runs until 7:30 or release by a rally official

#### 2.5 Senior Officials

Community Coordinator: Andrew Frick  
Deputy Clerk of Course : Matt Smith  
Chief of controls: Matt Smith  
Competitor Relations Officer: Chris Nonack

### Scrutineering

Scrutineering for Cars (including SxS) and Bikes will again be located at Watson's Hot Rod Garage located at 23 Chesterfield Hwy, Cheraw, SC.

There will be no logbooks issued during scrutineering hours. If your car requires a logbook, contact your closest scrutineer now to arrange to have it done before Sandblast.

Vehicles presented for scrutineering must already have all required elements in place. No "stickering", repairs, or additions required to pass scrutineering will be allowed while in scrutineering.

Vehicles to be inspected, and crew, will remain outdoors during scrutineering, weather permitting. If we need to move scrutineering indoors, we ask that crews presenting cars wear masks.

We ask that all competitors arriving at the vicinity of Watson's Garage with competition vehicles on/in trailers/trucks park the truck/trailer in the lot marked in green across Chesterfield Hwy from Watson's and drive the competition vehicle to the entrance, or queue line, outside scrutineering on Robey St.

Access to scrutineering areas will be limited to scrutineering staff and no more than 2 service crew per vehicle.

Entry into area marked Cars and Bikes will be limited to 2 vehicles and their crews at a time. Entry will be from Robey. Exit will be onto Chesterfield Hwy (Rt 9).

Wednesday, 22 February, 2023

12:58

Once the vehicle has been inspected, it should be moved from the scrutineering area. If it did not pass (did not receive a tech sticker), it will be necessary to come back thru once deficiencies have been corrected.

Logbooks will be retained by Scrutineering at this event. The logbook event entry info for Sandblast 2023 should already be completed by the competitor prior to entering Scrutineer. Preprinted vehicle specific tech sheets will already be in the possession of Scrutineering and will be completed by scrutineering when the vehicle is presented and will be retained by scrutineering.

### **Start Procedure**

The rally will start from the service exit control on the Patrick Festival Field.

To reduce the risk of vehicles, especially cars, being trapped in their service area it is requested that competitors do not line up more than 5 minutes before their assigned start minute.

### **Competitor Relations Officer**

Sandblast Rally will have a dedicated Competitor Relationship Officer (CRO) this year. All inquiries or questions for rally officials should be funneled through them. These include but are not limited to:

- Questions about start position
- Questions about the rally schedule
- General rally questions or rule discussions
- Requests to facilitate communication between crew and competitors that have DNF'd
- Questions about rally procedures or clarifications
- Official Inquiries or Protests as defined in the GRR

Chris Nonack, a seasoned rally competitor will filling this position this year, below is a picture of Chris and his contact phone number during the rally.
