Saudi Automobile & Motorcycle Federation

GENERAL DESCRIPTION

- Crossing of many fast dune due to the rains
- Tracks in wadis + tracks along the wadis until the petrol station
- Alternating tracks in canyons, stony passages, fast tracks on sandy tracks with many changes of direction until the ASS

DETAILED DESCRIPTION

K0 - Selective starts directly with dunes of level 1

K26 - Undulating sandy plateau, in some areas very undulating tracks with dunes

K36 - Easy dunes of level 1

K55 - DZ, pipeline crossing, very fast and twisty sandy plateau, terrain changes from sand to gravel

K68 - Twisty track in a beautiful sandy river

K84 - Very fast gravel plateau, twisty tracks and lots of parallel tracks, significant navigation

K111 - The plateau continues quickly, but more twisty and undulating

K124 - More very fast tracks on a gravel plateau

K161 - NEU IN, twisty tracks on fast plateaus, in some areas there are several parallel tracks, be careful with navigation

DETAILED DESCRIPTION

K196 - Change of pace, mountain canyon area with bad hilly terrain

K207 - Track inside a dry river in a small canyon, lots of rocks

K210 - Plateau with twisty and undulating tracks, many compressions and cuts caused by water, beware of navigation: many tracks

K232 - Small canyon and twisty track parallel to a river, the track is undulating

K237 - Sandy plateau, fast and undulating

K243 - Main track, fast and sandy

K264 - CP2, sandy/silty track between rocks, complicated navigation, lots of Y.

K358 - ASS.

COMPLICATED ROAD BOOK NOTES

07,42 - 114,40 - 197,25 - 249,99 - 271,45 - 312,99 - 321,05 - 323,91 - 355,80

POINT OF ATTENTION

- K68 to K84 : wadi with water
- K93 to K115 : lot of mud
- K236,65 : Caution : narrow passage, keep your right
- Petrol station will close at 06:00 tomorrow

OPENING NOTES

- It has rained, but the track has not been damaged
- Dunes : some are holders, other are soft
- Ruts on parts already used by the rally
- The plateaus between the dunes are tricky depending on the location
- Fast stage, even in the dunes
