GENERAL DESCRIPTION

The start is on a track for a few kilometres, and there is a change of CAP which leads to off-piste with large dunes to cross with significant navigation until CP1.

Then, it is a passage on track between the mountains with complicated navigation until the T IN N°1.

Afterwards, there are alternating tracks and stony off-piste with faster tracks until CP2.

Then, the tracks are sandy with a lot of navigation until CP3.

Finally, the last sector is off-piste with numerous dune descents until the finish.

DETAILED DESCRIPTION

K0 - The stage starts on a fast and twisty gravel main track

K7 - Off-piste on large level 1 dunes, with areas of camel grass

K47 - Twisty sandy track, twisty through large dunes, navigation is complicated as there are many tracks, follow CAP

K57 - More big dunes, camel grass, we are in the opposite direction to last year's big Ha'il dunes, now we have to climb it!

K143 - Off-piste on fast flat dunes, with some stony sections with bad visibility

K149 - CP1, rock canyon area, narrow sandy track, complicated navigation

K155 - Large canyons between rocks, more rocky and sandy tracks

K173 - Narrow twisty tracks, gravel and sandy ground in mountain passes

K180 - Entering an area with a river, sandy and hilly tracks, high pace

DETAILED DESCRIPTION

K211 - 39km transfer for all categories

K250 - End of transfer, difficult to see tracks on a large stony plateau, many off-piste sectors

K268 - Fast plateau with gravel, fast and twisty tracks

K296 - Crossing a large dry lake, then stony tracks, fast plateau

K312 - Off-piste in large dunes (no difficulty), camel grass, twisty, sandy track sectors

K337 - Passage in big stony canyons, sandy track

K346 - Off-piste, sandy track in big dunes, cam grass

K362 - CP2, fast sandy plateau, pace increases

K374 - Off-piste in big dunes, twisty sandy tracks

K399 - CP3, continuing off-piste in large dunes, steep descents

K426 - ASS
