Promoció Econòmica

10. CLASSIFICATIONS - TROPHIES

10.1 The following classifications are established:

- general scratch classification
- classification by class
- team classification

10.2 Trophies

The trophies that will be awarded are as follows:

- General scratch classification (first 5 classified) Campionat de Catalunya de Rallys
- 1st classified in each Campionat de Catalunya rally class
- Winning team Campionat de Catalunya de Rallies
- 1st, 2nd and 3rd teams classified Scratch of each Regularity Ranking (RS and R).
- 1st classified team of each group Pre75-Pre85-Pre93-Pre2000 in RS and R.

To determine the winning team, the positions of the first 3 ranked teams of each team will be added together. The winner will be the one with the lowest number thanks to this sum.

- JOSEP M^a CARRIO Trophy: to the best ranked speed team in which the sum of the ages of the pilot and the co-pilot is 120 years or more,

10.3 The award ceremony will take place at 16h15 on February 8, 2026 at the Pódium del Passeig in Lloret de Mar

11. RECONNAISSANCE.

11.1 Reconnaissance of the SS will be carried out only and exclusively from 09h00 on January 24, 2026 to 13h00 on February 6, 2026 for all participants.

It is forbidden to reenter the section and to ride in the opposite direction inside it.

These recognitions can only be made with vehicles which obey the following characteristics:

- a) Be of strict series.
 - b) Do not carry additional headlights that are not the original ones.
 - c) The exhaust pipe silencer will be in perfect working order.
 - d) Do not wear roll bars, harness type belts or bumps.
 - e) They must use commercial tires with a pattern.
 - f) Do not wear advertising or stickers.
 - g) It will not be painted in such a way that it can be identified as a competition vehicle.
- The participant must inform the organizer of the make, model, color and registration of the vehicle that will be used for reconnaissance.

Reconnaissance outside the established times will result in disqualification and the FCA will be notified in the event that another sanction is warranted.

If for this reason a team is not authorized to take the start, the participant will not be able to claim any partial or total refund of the registration fees.

11.2 All participants are reminded that due to the sensitivity of the residents and the municipalities through which the Rally takes place, this organizing entity with the support of the Federació Catalana d'Automobilisme, the collaboration of the various agents of the Corps of Mossos d'Esquadra, of the Local Police and the Judges of Fact, will be extremely rigorous with the circulation of the participants during the preparation of the reconnaissance and the days of the Rally.

For this reason, and in full application of articles 14 and 17 of the Sporting Regulations of the Campionat de Catalunya de Rallies, there will be a special control of:

Ajuntament de
Lloret de Mar
Promoció Econòmica

- Violations of the highway code.
- Speed above 50 km / h in urban centers.
- Total or partial flooding of the opposite traffic lane.

Art. 12 EXTRA RALLY

12.1 All the teams withdrawn within a section, or in the links, can benefit from the Extra Rallye formula by making a request to the broom vehicle or to the Participant Relation.

12.2 The organizer cannot guarantee that the vehicle can be withdrawn from the stage.

The recovery of the vehicle will always be done by the team's own means and neither the trailer nor the mechanics can enter the scene before the authorization of the Clerk of the Course. Exceptionally, if the Race Direction deems it appropriate, the organization's cranes may remove the vehicle from inside the section, with an exclusive safety function. In this case, the tow truck will leave the competition vehicle just outside the stage, either at the start or at the finish, or at an intermediate crossing, and always according to the criteria of the Race Direction.

12.3 The team will drive the vehicle to the Regrouping Park once it has been repaired, where it will be checked by the Scrutineers if necessary, requesting a new card at the Regrouping entry CH with the time of its departure. This time will always be allocated with the approval of the Race Direction, and will be the theoretical start time. If possible, it will be 2 minutes later than the last participant.

12.4 The teams participating in the Rally Extra can only appear in the classification of the section they are contesting, and in the Final Classification, they will appear as withdrawn.

13. ADDITIONAL PROVISIONS

13.1 The organizer undertakes to send, on the dates of its publication, all the information on the Rally (registered, itinerary, etc....) to the different Teams with registered participants and these will be responsible for providing the to the respectives partners.

All information will be on www.rallylloret.com

13.2 The medical assistance centers made available by the organizer are:

HOSPITAL JOSEP TRUETA -Girona		(+34) 972 940 200
HOSPITAL GENERAL- Vic		(+34) 938 891 111
CLINICA VALL D'HEBRON - Barcelona		(+34) 934 893 000

13.3 The safety cranes that the organizer places in each timed sector have the sole mission of leaving the road free for the passage of the participants. Any other service that participants may request will be at their charge and at their expense, the service being performed at the end of the rally, and with the approval of the Clerk of the Course. (Art. 22.19.2.1 of the Esportiu Regulations of the Campionat de Catalunya de Rallies).

13.4 Assistance to participating vehicles is prohibited outside the Service Parks which are dedicated to it, with the exception of the supply of fuel, as long as it is carried out directly from a Service Station.

13.5 The Organizing Committee designates as FACT JUDGES all the Officials who appear in these Supplementary Regulations and in their forthcoming Supplements.

13.6. During the rally, each participant must be provided with a GPS device, provided by the timing company at the time of handing over the documentation, and must pay 45.00 € corresponds to the rental value invoiced by the timing company.
