The Stewards, having received a report from the FIA Eligibility Delegate (document No. 6.3), having examined the document, have considered the following matter, determine the following:

Fact: In Refueling Zone 2 (After SS2) the driver made the refuelling but was not wearing all required safety equipment (gloves) during the refuelling.

Offence: Breach of:

- Art. 61.2.3 of the EHRC Sporting Regulations
- Breach of Art. 8.4.1 of the Supplementary Regulations

Decision: Fine of 150 EUR,

In accordance with Art. 12.8 of 2023 FIA International Sporting Code, the payment of the fines must be done online, within 48 hours of their notification, at the following address: <https://fiafines.fia.com>. Any delay in making payment may entail suspension during the period a fine remains unpaid.

Reason: According to the Supplementary Regulation and the EHRC Sporting Regulations the relevant personnel must be wearing clothing (including gloves) which will provide adequate protection against fire. Apparently, looking to the photographs the Stewards received, no adequate clothing was worn by the person, executed the refuel.

The proper clothing is a major safety item to protect the team personnel in case of fire during refuelling. It is essential for the personnel's safety and safety is one of the major concerns by the FIA. Safety remains a key challenge and the FIA is committed to do everything possible to protect, among others, the team personnel. The Stewards therefore concluded that the competitor was in breach of the above regulations.

The decision is based on the FIA International Sporting Code Art. 11.9.1, Art. 11.9.3.a; Art. 11.9.3 f; and Art. 12.4.1.c.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules.
