DRIVER'S BRIEFING

The Rally HQ staff and the Organiser warmly welcome and thank all the crews participating in the 16 HISTORIC RALLY OF ASTURIAS.

1. TRAFFIC LAWS.

All crews are kindly reminded to respect traffic laws during road sections. To facilitate this in case you have to stop during the run of a SS due conditions of the race, there is a box in the Time Card that allows you to arrive to next TC in a safety speed conditions in the road section. See CoC Communication No 2. New time from Stop Control.

2. SAFETY.

2.1 GPS TRACKING SYSTEM. The SPICA IV unit by Anube is the tracking system of this rally. You have the instructions for the use in last page of Supplementary Regulations.

2.2. EMERGENCY PHONE. Two stickers with the emergency phone shall be displayed on the car, one inside the car and one outside. This phone shall only be used in case of a withdrawal or an emergency, not any other matter shall be treated by this mean. Please answer any phone call of an unknown number, because it could be the people of the Race Control trying to communicate with you.

2.3 RED FLAG. To signal the interruption of a Special Stage, Race Control will order the display of the Red Flag by Route Marshals at the intermediate radio points and/or the GPS tracking system with an acoustic signal and showing the message "RED FLAG" on the screen, requiring the crew to acknowledge receipt by pressing "OK".

Crews must:

- slow down immediately
- continue at very low speed and in full safety
- be ready to stop if required
- not attempt to resume competitive pace
- follow the Marshals' instructions along the SS.
