Welcome to our event!

Named after one of Oregon Rally Group's founding members, we're excited to have the Mike Nagle RallySprint back for another year! As last year's ARA Steward put it, "Mike Nagle is a RallySprint in name only." We're running the same road four times just like we have before, but changing things up for 2026 by running it in the reverse direction. Additionally, we're moving to a 2 day format with Recce and Tech on Saturday and racing on Sunday. Although we won't be racing into the night, finishing the day earlier should be a benefit for both competitors and volunteers.

Located a convenient 45 minutes northwest of Portland, Columbia County has several campgrounds and hotels in the area. We'll kick off the event with a Parc Expose in historic downtown St. Helens with Service and event headquarters based out of the St. Helens Rec Center, a short jaunt from the downtown core with Parc Ferme and the podium at McCormick park just across the street from Service.

We hope the relaxed atmosphere of the RallySprint encourages new volunteers to sign up, previous volunteers to learn new skills, and most of all provides an environment where everyone has fun. The Mike Nagle RallySprint does not have any spectator areas, so if your friends or family want to see the action please have them sign up to volunteer, we'd love their help.

Local leaders are happy to have us back after the success of last year's event and are particularly excited about having us downtown for Parc Expose. The value of the economic impact on the county cannot be understated. That's why whenever you shop, stay, and/or eat in this area, please tell them you are with this rally. Letting everyone know why you're here is what allows us to come back again.

Thanks for choosing our event, we are happy to have you race with us!

Sincerely,
Oregon Rally Group
