

CHANGE OF RECONNAISSANCE RACE OF SS 9,12

Due to incomplete road repairs on road 381 between the villages of Velké Němčice and Křepice, it is not possible to use this road for crossings during reconnaissance.

For the above reasons, drive on SS 9/12 until the STOP of this SS, turn around here and continue in the opposite direction of the SS at a maximum speed of 30 km/h until position 22 page 2-39. Here, continue straight (in the opposite direction of SS 3,6) along the asphalt road until the main road at position 23 page 1-26. Here you will connect to the marked crossing back to the start of SS 8/11.

BE EXTREMELY CAREFUL, YOU ARE RETURNING ON A NARROW ROAD IN THE OPPOSITE DIRECTION OF THE RZ!
Riding in the opposite direction of RZ 9.12 is allowed from km 9.40 STOP to km 8.11 at a speed of 30 km/h.
