Hope you have read all CoC communications and Bulletins, here are some important information for you.

Other information I have for you are as follows:

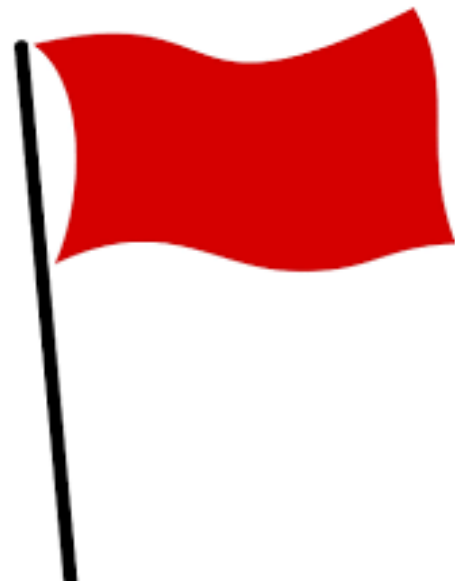

Shakedown

- Start interval will be 30 sec – 1 min, depending on how many of you will wait in front of the start
- All results will be on-line (<https://live.akdelta.hr/>), because in the case of 30 sec start interval time cards won't be filled

GPS tracking device

- Tracking device must always be turned on
- Pay attention that SOS button is not turned on unjustified
- Respect speed limits outside the SS, speeding will incur fines

Red flag

REDUCE SPEED!**

Race is stopped.

➔ Maintain reduced speed. Follow instructions from the marshals on the special stage. Leave space for pass of emergency vehicles.

If you have an accident, please let me know if you are all right or you need any kind of help or intervention. My number will be on sticker on your roll- bar. Also, put a triangle and give an information to a next crew by using sign OK or SOS.

I wish you lots of luck and to see you all at the finish.
