Welcome at the Servicepark for the Retro Rally 2023 at Parking P3 of the “Noordkade”-cultural area. P3 is a spacious and gravel paved parking. **Your trailer and recon-car must be parked within the boundaries of the servicearea as well.** Nearby you will first find the “Noordkade” with supermarket, snacks, bar/restaurant and the public friendly regroup in an historic industrial setting. Near the Service Welcome Center you will find the Scruteneering/Night Parc Fermé location and within a 5 minute drive you can also visit the main service area by following the signs “P-Rally”.

## Important rules regarding Safety and Social aspects

1. **Keep the public part of P3 free of any team vehicle or trailer (agreement with the owner)!**
2. Contact to ELE-organisation preferably through the Retro-contacts: Jan Harmsen, Henni Goossen.
3. Surface Retro Service; The Retro rally service has a surface of well drained gravel.
4. Please assure to stabilize the jacks.
5. Trailers to be parked behind your service space. For the service spaces with less depth; use the area next to the rounded storage buildings as indicated on the aerial picture above.
6. Extra attention to environmental aspects (Groundsheets, Drip pans, Absorb eventual leaks immediately and report to the organisation).
7. Non-social behavior, un-allowed parking, vandalisme pollution and destructive diving (e.g. donuts) will be handled according Fia/KNAF behavior rules. Don't impact your team negatively!
8. **Respect interest of nearby citizens and companies. Thanks to their support, you can enjoy your sport!**
