Restricted Speed Zone

The course WILL contain a restricted speed zone in one section of course.

The Speed Limit for this section of track is 120 Km/h. This will be enforced.

Restricted Speed Zone (RSZ): Crews must not exceed 120Km/h speed limit for a specified length of course. This is approximately 4.9km.

Restricted Speed Zone (RSZ) will apply from location km mark 47.1 to km mark 52.

Signs will be used to indicate the start and finish of the RSZ. There will be one (1) approach warning board. This will be located 100m before the start of the RSZ. There will be a RSZ End board at the end of the RSZ. Speed will be measured by GPS tracking device in the car (rally safe). RallySafe will inform you once you have entered the zone and will display your speed and will let you know when you have exited the zone.
