

THANK YOU - THANK YOU - THANK YOU

Good evening all.

Just a quick text to thank everyone for their support over last weekend at the Faugheen Rallysprint. To the club members, competitors, MI officials, neighbouring clubs and volunteers who travelled from far and near to marshal, timekeep and help us run this unique event.

I received great feedback last evening and today and I would like to thank the competitors who took the time to contact me.

I thank the sponsors who put so much into our sport and I was delighted to see so many J1000 competitors enjoying the event.

I thank the women who created a great team to run the event. I thank the members of the Faugheen bike club who did such a great job managing the traffic. To the club members who helped mark and setup the circuit - you are a great bunch and I was so proud of you all yesterday as I travelled through the circuit in Faugheen for the familiarisation run.

I thank the Motorsport Ireland Council who believed in me and gave me a chance to run the Rallysprint on a closed road - a first for our sport.

I appreciated the assistance offered by the President and members of the Council and my colleagues on the Rallies Commission who came to Faugheen yesterday for the event.

Finally, thanks to the competitors who joined us for prizegiving and rounding off a pretty good day.

I am purposely avoiding naming any individuals so I will just say that if you helped me and my team of lady officials in anyway in the last four weeks - thank you for your support.

Go raibh míle maith agat!

Yours in motorsport
