“ROKIŠKIO GRAND RALLY 2026” – Tradition that continues for a decade!

Rally in Rokiškis again! This year, on August 13-15, a name of “Rokiškio Grand Rally” will be heard for the tenth year. Rokiškis will undoubtedly become the capital of the summer rally.

“Rokiškio Grand Rally” promises not to lower the bar it has raised over the past nine years. Together with Lithuanian automobile rally championship and Lithuanian Rally4 Trophy events, FIA European Rally Trophy (ERT), Tour European Rally (TER) a TER Historic events will be held.

Both athletes and spectators will meet already loved and renewed Special Stages. The concert program, as every year, will be exceptional – on Friday evening Saha Song will perform at Rokiškis Nepriklausomybės square, and Saturday’s gala rally awards evening will be crowned by an impressive performance by Džordana Butkutė.

The event organising team sincerely thanks the entire Rokiškis city and district community,

local businessmen and farmers and the district municipality administration for their support and understanding due to the temporary inconvenience. And we would like to remind the spectators that motorsports can be dangerous, and your life is more precious than any photo or video. Watch the “Rokiškio Grand Rally 2026” safely and responsibly!

“Rokiškis Grand Rally 2026” is organized by the Public Institution “Automotoprojektai”, established in 2005. The company’s manager Audrius Gimžauskas is a motor sports master, well-known as the winner and prize-winner of many motor sports championships. Thirteen years of experience in organizing the “300 Lakes Rally”, “Samsonas Rally Rokiškis” and “CBet Rally Rokiškis” competitions ensures that every year spectators and participants can get the best impressions, take away only the best emotions and look forward to next year’s rally.
