CEREMONIAL START

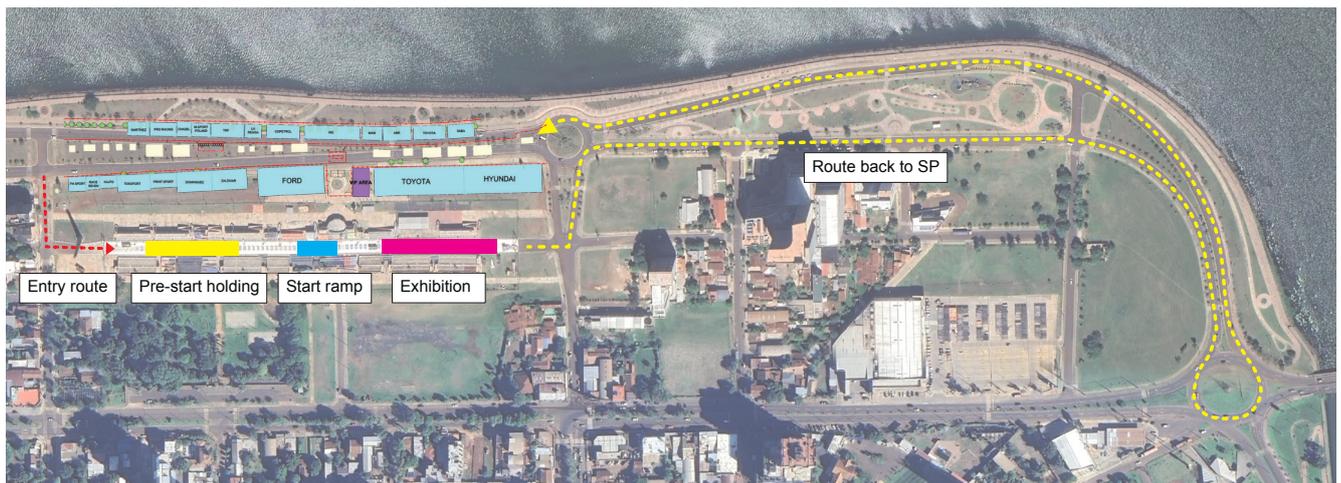

Rally cars are required to be parked at the pre-start holding area according to the schedule published in Bulletin 2, and as illustrated in COC Communication 3.

There is an area immediately after the cars depart from the Start Ramp designated for Exhibition Driving (see diagram). The area is approximately 100 m long and marked with signs.

Drivers may choose to undertake exhibition driving (donuts, practice launch, tyre warming etc) at their discretion one car at a time. There will be an official at the start of the designated area to indicate when each car can enter.

This is the only area of the rally where Exhibition Driving is permitted.

After the exit arch all cars are required to follow the route indicated in the drawing below back to Service Park (yellow dotted line).
