RETIREMENTS / REJOINING THE RALLY

If you retire from the Rally and do not intend to continue:

While on the stage please have your timecards ready for collection by the Accountability car, as delaying the car can affect the over time schedule of the Rally.

While on the Road Section/Service – please hand then into the nearest time control.

If you retire from the Rally and do intend to continue:

Competitors will be allowed to restart the rally at TC3E and TC5E(Service Out).

The restart co-ordinator will consider the retirement facts, if continuation in the rally is permitted, the car will be re-scrutineered and a new start time issues by the rally restart co-ordinator.

This shall apply to any car which has not been classified on the grounds of exceeding time limit or failure to report at a time control, but shall not apply where the car has been disqualified for breach of eligibility requirements, traffic infringements or a decision of the stewards.

All crews which rejoin, will have time penalties applied. This penalty is as outlined in 2025 NCR Ch.13 App.8 Art.1.3(a)(i)
