8.2.3. Refueling procedure. The cars can be filled from barrels/canisters with fuel which available at commercial petrol stations. Only two team members with permissions can enter the refuel zone and perform the procedure.

Only crew members and the support staff are responsible for complying with fire safety regulations during filling. A liquid-tight mat must be used. Refueling is carried out in accordance with T-2023 Art.61.2. Non-compliance with rules will be penalized by decision of Stewards.

IX. RECONNAISSANCE

9.1. PROCEDURE FOR REGISTRATION

9.1.1. Reconnaissance registration will take place at the same time with administrative checks as follows:

Date: 11-05-2023 (Thursday):

Time: 17:30 – 18:15 – for competitors participating in Shakedown;

18:15 – 19:15 – for competitors not participating in Shakedown.

Place: Mažeikiai Culture centre, Naftininkų str. 11, Mažeikiai.

Coordinates: 56.3040 22.3375

Supplementary Regulations – „ORLEN Lietuva Rally 2023“

9.1.2. Reconnaissance cars. Reconnaissance cars will be checked during reconnaissance. Reconnaissance cars must comply with Art.35.1 of T-2023. If, for any reason, the crew has to change the reconnaissance car, they must inform Rally secretariat (phone: +370-618-76683) about the data of the new reconnaissance car.

9.2. SPEED LIMITS:

9.2.1 Town/Village	50 km/h
Non residence:	Gravel roads: 70 km/h
	Asphalt roads: 90 km/h
	Motorways: 120 km/h
	Highways: 130 km/h

9.2.2. Speed during reconnaissance. During reconnaissance it is necessary to drive at a safe speed in accordance with the rules in force in the Republic of Lithuania. The maximum permitted speed on the speed stages during reconnaissance is 70 km/h, except in areas with road signs or other speed limits marked in the road book. Violations of traffic rules and speed limits on public roads also may be recorded by police officers and fined in accordance with the laws of the Republic of Lithuania. GPS data also will be tracked in the road sections.

9.3. GPS SPEED CONTROL CHECKING DEVICES

9.3.1. GPS speed control devices will be issued during the Administrative checking as follows:

Date: 11-05-2023 (Thursday):

Time: 17:30 – 18:15 – for competitors participating in Shakedown;
18:15 – 19:15 – for competitors not participating in Shakedown.

Place: Mažeikiai Culture centre, Naftininkų str. 11, Mažeikiai. Coordinates: 56.3040 22.3375

9.3.2. Rally Safety Tracking system. Organizer provides a rally safety tracking system, which must to be used during reconnaissance. If the system is not used, it is a breach of the reconnaissance regulations. The process of reconnaissance will be monitored via GPS system by Rally officials. GPS data will be monitored also in the road sections. The evaluation of GPS data is the responsibility of the Clerk of the Course. If reconnaissance vehicle is not equipped with a tracking device, the crew will be penalized by Stewards. After reconnaissance, crews have to re-install the tracking device into the rally car.

9.3.3 Principles of Security and Tracking. Each device has a unique serial number that is assigned to the crew. During the race, the Rally Headquarters tracks the location and speed of each crew. The GPS tracking device is connected to the tracking centre, that collects all incoming data. All data is stored on the same device. The device has an autonomous voltage source operating throughout the rally. The device has SOS and OK buttons. By pressing the SOS button, crew members report about the accident and request immediate assistance. In this case, it is necessary to report the accident via the telephone number indicated on the sticker of the GPS device. When the car stops in the speed stage due to an accident or technical problems, by pressing the OK button, the crew members inform the rally HQ about the car stopping for more than 30 seconds and also announce that emergency assistance is not required. Attention! If the crew has stopped in the speed stage for a period longer than 30 seconds, even if the crew tries to continue the race, it is necessary to send an "OK" message. The crew's mobile phones must be switched on (or switched on within 60 seconds) so that the Rally HQ can inquire about the current situation. If the crew receives an electronic red flag alarm (an audible signal and the yellow light switches), the OK button must be held down for 1 second to acknowledge receipt of the message to the Rally control centre. The crew must immediately reduce speed and follow the marshals' instructions. Failure to comply with these requirements will be penalized by decision of Stewards.

9.3.4. Returning of GPS devices. The device must be dismantled from the car and returned after TC14A in Park Ferme. If the damaged device is returned or not returned at all, the crew will have to pay 200 EUR fee for the value of the device. Retired crews must deliver the equipment to the Rally HQ till 20:30 on Saturday, May 12, 2023.

9.4. RECONNAISSANCE TIME SCHEDULE

Reconnaissance time schedule is given in Appendix 2.

9.5. RECONNAISSANCE RULES

Reconnaissance will be organized in compliance with Art.35 of T-2023 and these Supplementary Regulations.

9.5.1. After publication of Supplementary Regulations any first or second driver, or any other member of the entrant's team, who participates in LARC or intends to participate in the "ORLEN Lietuva Rally 2023" and wants

to drive on roads that belong to the local zone of prohibited roads of the Rally, must obtain the Organizer's permission. This rule does not apply to persons living in restricted roads zones. The Stewards and the national ASN will be informed about all recorded violations.

9.5.2. Number of persons on board. During reconnaissance maximum 2 persons are permitted in the car. 3rd person in the car during reconnaissance may be only with the permit from the Clerk of the Course and must have a valid annual license issued by LASF or other ASN.

9.5.3. Number of passages. Maximum 2 passages over each Special stage is permitted during reconnaissance. Special stages, which running twice, are considered as one Special stage.

9.5.4. Speeding. Exceeding speed during reconnaissance will be penalized in accordance with T-2023 Art. 34.2.2.

Exceeding speed during the race will be penalized in accordance with T-2023 Art. 34.3.

If the rally car and/or service cars exceed the speed limit in the Service zone, a fine of EUR 25 will be imposed for each exceeded kilometer per hour (T-2023 Art.57.4).
