The Stewards, having been reported from the FIA Technical Delegate about a technical Breach committed by Competitor No9: Shadi SHABAN, have summoned the concerned competitor (Summon No.1), have considered the following matter, determined the following:

**Crew and Car No: Shadi SHABAN / Samer ISSA car No 9**

**Competitor:** Shadi SHABAN

**Time (fact):** 12:30 Thursday, 18 May 2023

**Session:** Pre-event Scrutineering

**Fact:** Both seats are with counterfeit labels. As per FIA Standard 8855-1999, the FIA holographic sticker must be glued over the homologation label, in the location specified by Standard. In the seats above, the FIA stickers are separate and noncompliant white stickers, "looking like homologation labels" are glued close to holographic sticker.

**Offence:** Breach of Art. 32.2.4 of the FIA 2023 RRSR

**Decision:**

Considering the facts and the positive attitude and good intention of the driver,

And considering that this will not exempt the competitor from his responsibilities based on article 12.1.1.a of the 2023 International Sporting Code,

The Stewards decided to inflict a reprimand to Competitor No 9

**Reason:**

The Stewards heard the argument given by the competitor who explained that he bought the seats from the local market at a good prize without knowing that they are not in conformity. And to prove his good intention he immediately bought two new seats, fixed them in the car and submit it to re-scrutineer.

He added that he always acts by current rules and his car was checked and all other items were found completely in conformity.

The Stewards reached this decision after receiving confirmation from the Technical Delegate that the competitor replaced these items with proper seats and passed re-scrutineering.

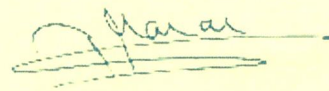

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA ISC within the applicable time limits.
