PROCEDURES FOR REQUESTING TIME VERIFICATIONS OR APPLICATION OF AVERAGE SPEED FOR OBSTACLES

The requests for time verification or application of average speed for obstacles must be submitted, for the first day of the race (26th of this month), within the restart time of the 1st competitor of the following day (27th of this month).

For the second day (27th of this month), the procedures and timelines established by the RDS Historic Car Regularity 2026, art. 8.18 letter d) "Verification of unofficial times" shall apply.

Please note that for each race day, a request for time verification is allowed for a maximum number of one timing check, in addition to one request for the application of average speed for obstacles.

Further requests for TIME VERIFICATION and/or requests for the application of average speed for OBSTACLES may be submitted, within the established deadlines, subject to the simultaneous payment of a security deposit of € 100.00 each. The necessary forms are available from the Competitor Liaison Officer, to whom, in addition to the delivery of these duly completed and signed forms, the required security deposit must be paid.

If the request for TIME VERIFICATION and/or application of average speed for OBSTACLES is not accepted or is withdrawn after being submitted, the security deposit paid for its submission will be forfeited; if accepted, it will be refunded in full.

Requests for verification relating to the previous day will not be accepted at the end of the race.

Requests must be made in writing, using the appropriate form included in the Road Book, exclusively to the Competitor Liaison Officer; **alternatively, this form, duly completed and signed, can be transmitted via WhatsApp, also to the Competitor Liaison Officer Mr. Cotroneo Alberto, using the specifically dedicated number: 3396907050.**
