2 | How to reach the Relais Mont Blanc in La Salle

Once you take the Morgex exit on the A5/E25 highway, continue on the Statale 26 state road towards La Salle. At the roundabout, take the 3rd exit onto Via Corrado Gex. After about 1100 meters, turn left to stay on Via Corrado Gex. After 350 meters, keep slightly right and take Via dei Romani, which then becomes Via Col Serena. After about 500 meters, you will see the Relais Mont Blanc right in front of you. You have arrived!

3 | What time you need to arrive

We have prepared a program to make you feel comfortable even on the day of arrival. Therefore, we look forward to welcoming you during the afternoon of Thursday, June 25, starting from 14:30. From this time onwards, we recommend reaching the hotel as soon as possible so that, once the bureaucratic formalities are completed, you can relax in your room, by the pool, or enjoy the Relais SPA.

4 | The Dress code

Cisalpina Classic Race Powered by Allianz Investitori SGR is a sporting event, but also one of charm and refinement. For this reason, alongside your favorite clothes, we suggest packing an elegant outfit for the Awards Gala Dinner on Saturday, June 27, and bringing a warm garment for the evenings, since temperatures in the mountains can drop rapidly.

5 | Wear your wristband at all times

Upon arrival you will receive a wristband: it will be your pass, so please remember to wear it at all times. It will help the staff, restaurant personnel, and hotel crew to recognize you and ensure you receive the best possible treatment.

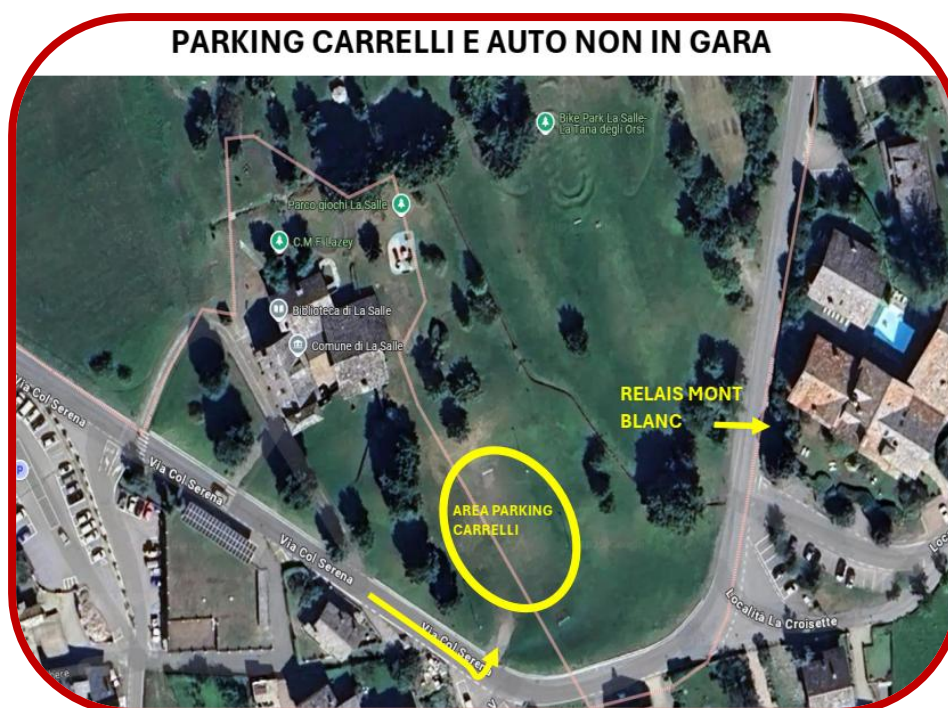

4 | Where to park the race cars, trailers and non-race cars

The parking area for trailers, the vehicles used to tow them, and all other non-race cars is located at the sports field situated 100 meters before the Relais Mont Blanc.

Address: Via Col Serena – La Salle (immediately after the Town Hall). (Coordinates: 45.746314, 7.073299).

Before entering the parking area, please unload your car from the trailer and bring it to the Relais garage. Upon arrival at the Mont Blanc Relais & Spa, head directly to the entrance of the hotel's covered garage and buzz the intercom; a hotel attendant will accompany you to your assigned spot. After parking your race car, come up to the hotel for the administrative checks, where you will receive the necessary materials for the technical checks, which will also take place in the garage. Once the bureaucratic side of the race is sorted out... **let the experience begin!** We look forward to seeing you at 20:00 for the welcome dinner by the pool.

7 | What to do in case of a race car breakdown

This year as well, we have doubled the technical assistance, and if by some unfortunate chance your vehicle suffers a breakdown, you can request help from our partners:

- Milano Classiche: Massimiliano Bellani +39 380.1460.584

- Aci Global: Mattia Perego +39 335.7772.929

Of course, we hope you won't need it!

8 | How to access the Relais SPA

Please bring a swimsuit with you to access the evocative Relais Mont Blanc Spa. Bathrobes and slippers will be provided by the hotel.

Opening hours: from 11:00 to 20:00.

9 | Crono ZERO

For those who requested them, Cisalpina Classic Race Powered by Allianz Investitori SGR provides a number of chronometers to participate in the race. Their distribution and the user instructions session will take place at 18:00 at the poolside bar area. Don't be late!
