

MARATHON STAGE PROTOCOLS

RoRallyMarathon 2026

Date *Scheduled for July 14-15, 2026*

1 Itinerary & Route

Location:

The Marathon Stage will start and finish at the official Bivouac in Râmnicu Sărat.

Duration:

The stage begins at the designated morning start line of SS3 on 14.07.2026 and concludes only when the vehicle crosses the final finish line of SS4 the stage on 15.07.2026 back in Ramnicu Sarat.

2 Maintenance & Vehicle Restrictions

Work Window:

Upon arrival at the Marathon Bivouac, riders are permitted a maximum of one (1) hour of autonomous maintenance on their vehicles. This window begins exactly at the competitor's check-in time.

Parc Fermé:

Immediately following the 1-hour maintenance window, all vehicles must enter the Parc Fermé. Vehicles will remain sealed in Parc Fermé conditions until 30 minutes prior to the competitor's start time the following morning.

Unauthorized Interventions:

Any mechanical work or entry into the Parc Fermé outside of the designated 1-hour window is strictly prohibited.

Penalty for Breach: Three (3) hours.

Tire Management:

Tire changes are strictly forbidden during the entire Marathon Stage.

Penalty for Breach: Three (3) hours.

3 Logistics & Bivouac Protocol

Luggage Transport:

All tents, sleeping bags, and personal necessities must be packed and loaded onto the Organization's logistics truck no later than 05:00 on 14.07.2026.

Accommodations:

All competitors must sleep in tents within the Marathon Bivouac.

Exception: Competitors aged 55 and over may request hotel/external accommodations. This requires a formal request submitted to and approved by the Organization prior to the stage.

Catering:

The official dinner provided by the Organization at the Marathon Bivouac will feature traditional Romanian cuisine.
