

MALLE MOTO

Supplementary Regulations

RoRallyMarathon 2026

Date 10.07.2026 - 18.07.2026

GENERAL CLASS REGULATIONS

1.1 Self-Sufficiency & Assistance

External Support:

Competitors must be completely self-sufficient. No mechanical, tactical, or physical assistance from external support crews or mechanics is permitted. Help from other competitors is permitted.

Penalty for Breach: Immediate disqualification/exclusion from the Malle Moto class.

Authorized Workspace:

All mechanical maintenance, repairs, and preparation must be conducted exclusively within the designated "Malle Moto" zone inside the Bivouac. Working outside this perimeter is strictly prohibited.

Penalty for Breach: Immediate disqualification/exclusion from the Malle Moto class.

Reclassification:

Competitors excluded from the Malle Moto class will automatically be reclassified into the standard category corresponding to their vehicle's engine displacement (cubic capacity).

1.2 Equipment and Logistics Allowance

Standard Storage:

Each competitor is allocated one (1) official "Dakar-style" transport box for spare parts, and tools.

Tire Allowance:

A maximum of eight (8) tires/wheels in total may be registered and used by a competitor for the duration of the entire rally.

Bivouac Infrastructure:

A dedicated camping area is reserved strictly for Malle Moto competitors. Non-competitor access to this zone is restricted.
