Dear Mr Moore

2026 Rally of Bathurst

Council advises that the 2026 Bathurst Rally, to be held 13 and 14 March 2026, is approved subject to approval conditions as detailed below.

- a) Development and implementation of a Traffic Management Plan which shall include a Traffic Guidance Scheme and Risk Management Plan. All implementation of Plans and Traffic Guidance works are to be completed by persons qualified to do so. Traffic guidance schemes are to be marked "Traffic Guidance only to be implemented by persons qualified to do so".
- b) Event organiser is to submit an application to NSW Police 3 months prior to the event at chifleyrms@police.nsw.gov.au
- c) Approval is to be obtained from Cabonne Shire Council and Blayney Council.
- d) Special Purpose Permits are to be obtained from Forests NSW.
- e) Council is to be provided with a copy of a \$20M Public Liability Insurance Policy indicating Bathurst Regional Council's interests, with the date and location of the event.
- f) The Event Organiser is to notify all Emergency Services of the event including Bathurst Base Hospital.
- g) The Event Organiser is to notify/consult with all business proprietors and residents affected by the event at least 7 days prior to the event.
- h) The Event Organiser will, with the assistance of Council's Engineering Services Department, advertise the temporary road closures 7 days prior to the event.
- i) The Event Organiser is to comply with the requirements of the "Guide to Traffic and Transport Management for Special Events" (version 4.1), November 2025, for a Class 2 event.
- j) A damage assessment of Council Roads is to be conducted before and after the event and be presented to Council. Any damage is to be rectified by the event organiser.
- k) That event organisers arrange for the removal of debris tracked onto Public Roads from Forestry Corporation Roads by the event.
- l) The event is not to disrupt traffic on the Great Western Highway.
- m) The Event Organiser is to comply with the requirements of the "Guide to Traffic and Transport Management for Special Events" (version 4.1), November 2025, for a Class 2 event.
