- The Service Park will be **open from 1200 hrs on Friday 24th July, 2026** and will **close at 11.00pm on Saturday 25th July**. Please ensure **all** vehicles are removed by this time.

Remember, your vehicle will still need to meet the vehicle fire extinguisher requirements before continuing competition.

Remote Service

During the event, there are two **Remote Service** opportunities at the **Steampacket Hotel** carpark after SS2 & SS4 and these are provided to allow teams to refuel and change tyres **only**. The two Remote Service opportunities have no specific time allocated though there should be adequate liaison time to spend 5 minutes.

The toilets in the Steampacket Hotel are available for use by competitors and service crews.
