RECONNAISSANCE

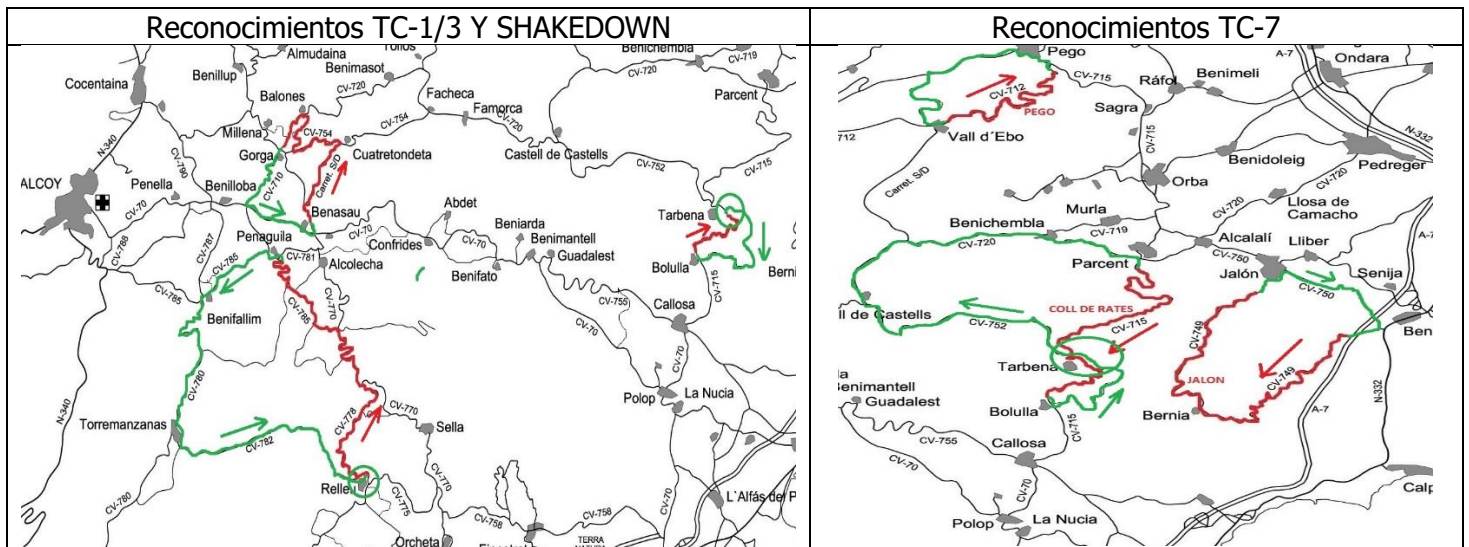

Authorize exceptionally to return to the exit of TC1 to do the 900m against the section that there is from the intersection CV-782 with CV-778. SINCE THERE IS NO POSSIBLE ALTERNATIVE.

As for the reconnaissance of the TCC and Shakedown, as there is no other alternative, it will be possible to do 400m against the section of TC7 from the Finish Line of the Shakedown until we join the path on Page 42 Panel 8 of the Road Book.

As for the reconnaissance of the TC7 Coll de Rates, as there is no other alternative, it will be possible to carry out 2,800m against the section from the meeting point at the access point to the CV-715 to vignette No. 10 on page 182 of the Road- Book (traverse of Tárbenas) in which we will take the direction of Castells de Castells to return to the start of the section in Parcent.

In these three cases the speed will be a maximum of 40 km/h

IN THE RECONNAISSANCE OF TC 7 FROM VIGNETTE No. 10 (crossroads of Castells TO VIGNETTE No. 12 (viewpoint of Tárbenas) the maximum speed allowed will be 50 Km/h

La Nucía, 29th October 2022
