Thank You for Marshalling!

On behalf of Birr & District Motor Club, I would like to pass on our sincere thanks to all the marshals for their help and assistance at the Garahy Family Birr Stages Rally 2024.

Without you all it would have been impossible to run our rally.

Thanks to all who worked so hard to make it a success for both competitor and spectators, without the support of other clubs, our rally would not have been possible.

We look forward to working with you again in the future!

Yours in Motorsport,
Ger Brophy
Chief Marshal
