## 1. CHANGE TO ROADBOOK

Corrections to the road book. The replacement roadbook boxes are attached (Appendix 1, 4 pages).

## 2. AMENDMENT TO ROADBOOK

SS 1/4

| Distance/Matka |             | Direction/Ajo-ohje                                                                 | Information/Reittimerkit                                                                                                                                       |
|----------------|-------------|------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Total/Koko     | Partial/Osa |                                                                                    |                                                                                                                                                                |

## 3. RECONNAISSANCE

The road book does not specify reconnaissance routes from the finish of a special stage to the start of the next stage. Competitors may choose their own routes, subject to the following:

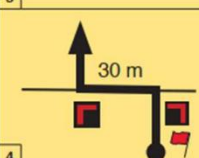

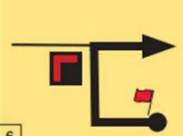

- For SS 1/4, the section between boxes 3 and 4 on page 27 of the road book may be used as a return route, driven in the direction of the special stage.
- The section between boxes 6 and 7 on the alternative route from the start of SS 1/4 to TC 2/5 (road book pages 109–110) must not be used during reconnaissance.

## RED FLAG, SS 7/11

On Special Stage 7/11, the stage may be interrupted by a red flag at boxes 4 and 6 on page 90 of the road book.

Competitors must immediately stop the stage and subsequently follow the instructions given by the officials. Any such interruption of the special stage would be due to a potential urgent call-out involving the local police station.

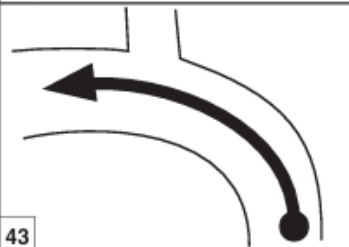

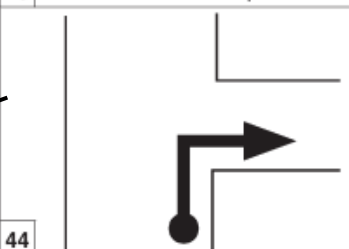

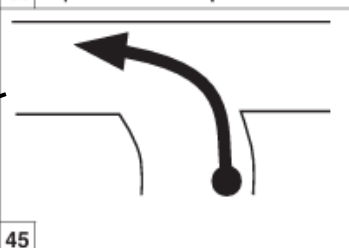

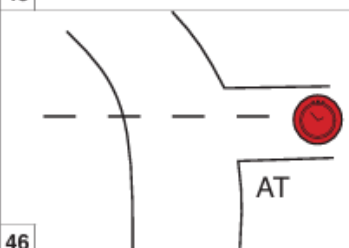

Road Book page 90
