Title: Event notes 2

---

1. Radio

Dear TCR Competitors, we recognized some disturbances during your session on a radio frequency, dedicated to marshals, race control and medical organizations. In order to avoid any further problems, please check if you are using the right frequency which was dedicated to you by the local radio authority. The dedicated frequencies by the authority, will be provided after the registration process. We are sure that all of you did this in advance of the event. Thank you

2. Livetiming
