FIA World Rallycross Championship & FIA European Rallycross Championship

Article 15.3a of the FIA World Rallycross Championship Sporting Regulations and The FIA European Rallycross Championship Sporting regulations states:

During the Heats, Drivers must be present in the pre-grid area while the grid for the race before their own race is being assembled, in order to allow the organiser to bring forward such Drivers as necessary to fill vacant grid positions.

For the Semi-Finals and the Final, Drivers and their cars must be present in the pre-grid area at least 6 min before the scheduled start of the first race unless specified otherwise in the official timetable or on the official messaging system of race control.

A light at the pre-grid entrance will indicate when it is closed.

Following the storm yesterday the pre grid light is no longer functioning and therefore a Judge of fact will be situated at the pre grid entrance to signal the closing of the pre grid 6 min before the scheduled start time. The nominated judge of fact is Daniel ALMEIDA
