// RADIO

The Belgian Institute for Postal Services and Telecommunications is responsible for granting authorisations for the use of radio networks in Belgium and for monitoring compliance with radiocommunication legislation.

Any user of radiocommunications equipment is subject to the obligation to be in possession of the necessary authorisation certificate before the start of the event.

During this period, controls will be carried out by BIPT in Mettet and may result, in case of non-compliance with the legislation, in a legal procedure and seizure of radio equipment.

It is imperative to submit on time the requests to obtain the required authorisations. The authorisations can be requested via a form available on the BIPT website via the following link: <https://www.bipt.be/index.php/consumers/events>

When you are in possession of an authorisation and disturbances occur during the event, you can contact our Control Department whose contact details you will find via the following link: www.bipt.be/en/consumers/radio/interference.

For further questions or more information, you can also contact the Licenses service at: ncs-fr@ibpt.be, or by phone at: +32 2 226 88 00.
