Manual Stage 3 Finish Times
May 16, 2026 1630

There was an unanticipated RallySafe error at the finish of SS3. The error was corrected by rebooting all the RallySafe units which many of you may have noticed on the transit to SS4.

As a result of this error, all cars received manual stage times for SS3.

A handwritten signature in black ink, appearing to read "J. B. Linn".
