

2026 Headwaters Rally
Bulletin #1
Itinerary Revision
May 7, 2026 1700

During the final event checkout last weekend we encountered an unprecedented amount of SxS and dirt bike traffic, particularly on the Spur 2 stage which is west of Hwy 64. Of course we have permission to close the road, but that is a HUGE ask of our marshals to handle that many SxS drivers. The risk of incursion is simply too great. Safety has to always be our number one consideration. Mark Larson and I discussed this and decided that the best plan is to eliminate Spur 2 and run Steamboat and Kabekona each three times. I called the DNR yesterday and got their permission to use those stages 3 times. We only lose a few stage miles and we run the stages that we have the BEST POSSIBLE chance to secure.

If there is a positive for the crews; it is that you only need to recce 2 stages.

The revised itinerary is attached and will be posted to Sportity. The original route book was never posted, the correct route book is also being posted to Sportity.

A handwritten signature in black ink, appearing to read "J. B. Linn".
