1. Amendment to Supplementary Regulations
2. Additions to Roadbook

1. Amendment to Supplementary Regulations

Article 6 – Classes

Classes 1, 2 and 4 will not be amalgamated and will be defined as follows:

1	Homologated (and formerly homologated) FIA Rally 2 and R5 cars and any variants FIA S2000 specification cars and any variants (including all turbo conversions) All World Rally cars (must comply with their homologation)
2	All 4-wheel drive cars over 2000 cc not eligible for Class 1 and 4
4	Homologated FIA Rally 3 cars and Group N4 cars that still comply with their homologation

Article 13 – Controls and Timing

[a] Main Time Control – MTC – NCR 13.13.4

- Main time controls will be situated at the Start, restart and Finish of the rally. Each competitor will be given a provisional due starting time from MTC0 and MTC2 and the difference between this starting time and his/her actual time will be counted towards exclusion for overall lateness and a time penalty will be applied.

Early check in will be permissible at the MTC at the end of Leg 1 as well as the MTC at the end of the rally as detailed in the roadbook.

Article 23 – Restart After Retirement

Competitors who retire on Friday evening are allowed to restart from MTC2 on Saturday Morning as well as TC5D providing they have been scrutineered again and are fit to compete. Please contact the CLO in the first instance if you wish to restart.

2 Additions to Roadbook

Page 116 – Please make sure you hand in Timecard 11 at MTC3 along with you Damage Declaration and Tyre Record form.

As the Voly Grampian Forest Rally is a Candidate event for WRC Rally Scotland, SS9 Strathgyle will be set up within FIA requirements that slightly differ from MSUK requirements, you may see extra taping and signage than you have seen before and prior to the stop line there will be a deceleration area as detailed in the roadbook on page 106. All timing arrangements remain the same as the rest of the event.
