GRAMPIAN FOREST RALLY

STONEHAVEN & DISTRICT MOTOR CLUB

7 & 8 AUGUST 2026

WWW.GRAMPIANFORESTRALLY.COM

RECCE NOTES

BRC Reconnaissance Procedure

GENERAL

Due to time constraints the Reconnaissance will be in two sessions, Stages 3 and 4 being done on Thursday evening and the remaining stages on Friday.

There will be two supervisory cars, one at the front of the convoy and one in the centre.

The lead supervisory vehicle will be manned by the deputy Clerk of the Course, Colin Smith, who can be contacted on **074682 78887** with any queries.

Supervisory cars will have yellow beacons and be equipped with MUK safety radios.

A Stage Recovery unit, Cougar Recovery, (Fraser Wenseth)will follow the convoy. Contact on 07900 245104

The maximum speed on all forest roads is 30mph.
Running order will be as close as possible to seeded order.

The convoy will regroup behind the lead supervisory vehicle, at the start of each stage. Each car should follow the previous car after about a 10 second gap. This gap should then be maintained as closely as possible. Any crew 'holding back' to leave a bigger gap will be reported and may be penalised. Other than in an emergency, cars should not stop in the forest.

BREAKDOWNS

On a road section, in case of a minor breakdown (such as a flat tyre) that can be fixed by the crew, the convoy will wait at the next stage start and the Recovery unit at the rear of the convoy will assist as necessary and will remain with the crew until they are mobile again and follow them into the next stage.

If the breakdown is of a more major nature, the crew will be expected to call their service crew to come and collect them. It is unlikely that the crew will be able to re-join the convoy in this situation.

If the breakdown occurs on a Special Stage, then the procedure for a minor event will be as for the road section. If it is of a more major nature, and cannot be corrected by the crew, then the Recovery unit will be deployed to recover the vehicle to the nearest public road. As this may take some time it is unlikely that the crew will be able to re-join the convoy.

Be sure to sign on and collect a sticker at Alford on Thursday afternoon, you will not be allowed on the convoy without it.

Thursday 6th August

The reconnaissance will start in Alford which is approximately 15 miles North West of Banchory as the crow flies, approximately 25 miles by road. It is 17 miles from Westhill along the A944. See attached detailed instructions and road map.

Start location:- OS MR NJ577160 GPS 57.23293 -2.70190 w3w ///reshaping.ultra.whisk

Convoy will assemble in the village car park beside Grampian Transport Museum in Alford at 1815 hrs with the intention to commence at **1900 hrs**.

Stages will be done in the following order:-

SS3 Clatterin Kist 1st, SS4 Whitehaugh 1st, SS3 Clatterin Kist 2nd, SS4 Whitehaugh 2nd .

The route will cover approximately 13 road miles, 14 Stage miles and take about 1.5 hours

On completion of SS4 2nd Pass, you are at liberty to return to Milton of Crathes in your own time.
There is fuel available about 1 mile from Alford along the A944 to Aberdeen.

Friady 7th August

The reconnaissance will start at BA Barn which is approximately 15 miles North East of Banchory by road, on the B977 at Lyne of Skene. It is 7.5 miles from Westhill along the A944 and B977. See attached detailed instructions and road map.

Start location:- OS MR NJ765107 GPS 57.18675 -2.38988 w3w ///enough.takes.passages

FUEL & FOOD

There is fuel available on the A944 in Dunecht but thereafter the planned reconnaissance route on Friday does not pass any roadside fuel stations or food outlets. The route will cover approximately 93 road miles, 68 Stage miles and take about 7.5 hours. Crews should ensure they have enough fuel, food and drinks.

STAGES

SS5 BA Barn 1st Pass

SS5 BA Barn 2nd Pass

SS1 Durris 1st pass

SS1 Durris 2nd Pass

Return to Post 16 and do SS9 to end 1st Pass

(Note: Section from SS9 Start to Post 16 is common to both stages.).

Return to Post 16 and do SS9 to end 2nd Pass

SS7 and SS10 are more complicated. The final 3.5 miles and the finish are the same but SS7 uses Scare Hill and SS10 uses Drumtochty, therefore to keep the road mileage to a minimum the following procedure will be adopted:-

First Pass SS2/6 Finglennie,

First Pass SS7 Scare Hill and do complete stage then return by public road to SS2/6 Start.

Second Pass SS2/6 Finglennie,

First Pass of SS10 Drumtochty (partial) from Start to Post 8 .

Leave SS10 Drumtochty at post 8 and go WD to start S7 Scare Hill and then onto SS10 Drumtochty Start.

Second Pass SS10 Drumtochty (Partial) to Post 8.

WD to Start of SS7 Scare Hill, turn around.

SS7 Scare Hill 2nd Pass to to end. (Section from SS7 Post 6 to end is the same as SS10 Post 8 to end)

SS8 Drumelzie 1st Pass, return by public road to SS8 Start,

SS8 Drumelzie 2nd Pass

Exit forest and Return to Milton of Crathes.

ROUTE

The Route Book appended to these procedures covers the whole route in the order outlined above.

The Stages are as the Roadbook.

The road sections will follow the Roadbook wherever possible, linking road sections to facilitate the reconnaissance are included where needed.

On completion of SS8 2nd Pass, you are at liberty to return to Milton of Crathes in your own time.

DIRECTIONS TO GRAMPIAN TRANSPORT MUSEUM, ALFORD

FROM ABERDEEN OR WESTHILL

Take A944 from Aberdeen via Westhill to Alford. Approximately 22 miles from Aberdeen, 17 miles from Westhill. In the centre of Alford turn right down Watchmakers Lane, just opposite the Turkish Barbers (see location map) it is very narrow and easily missed!

FROM MILTON OF CRATHES

Take A93 towards Banchory centre, at the traffic lights take the A980 Raemoir Road (SP Raemoir Garden Centre) towards Torphins.

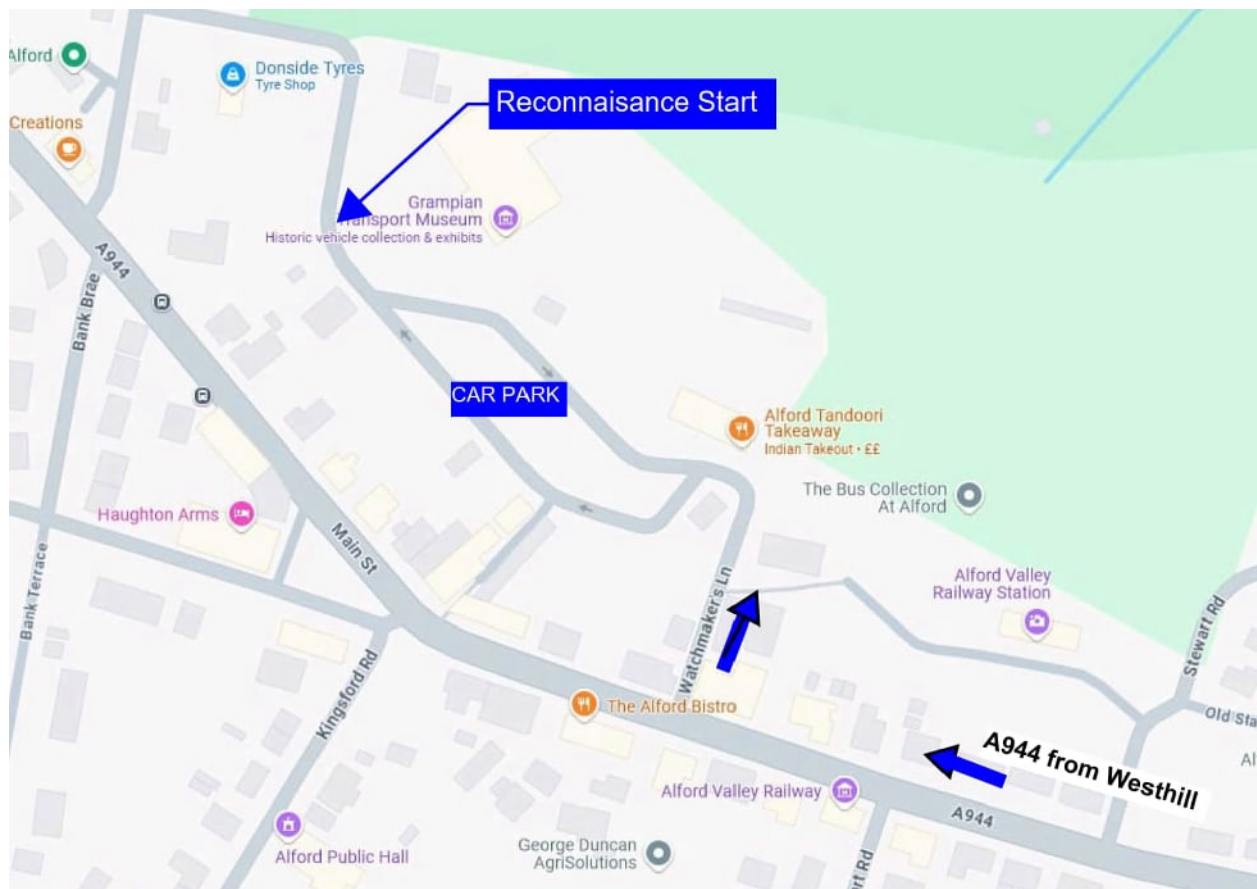

Turn left at tee junction to continue on A980 to Torphins approx 7 miles.

In centre of Torphins turn right at crossroads onto the B993, SP Inverurie B993 (A944).

Follow B993 to junction with the A944 at Millbank (approx 7 miles) and turn left.

Follow A944 into Alford as above, approx 7 miles. Total distance 23 miles.

ALFORD TOWN CENTRE

DIRECTIONS TO BA Barn, Lyne of Skene**FROM MILTON OF CRATHES**

Take A93 towards Banchory centre, at the traffic lights take the A980 Raemoir Road (SP Raemoir Garden Centre) towards Torphins.

Turn right at tee junction onto B9125 for 3.7 miles.

Turn left onto B977 SP Dunecht 2.3 miles to Echt

Straight on at crossroads in Echt continue on B977 for 2.4 miles to Dunecht, turn right onto A944

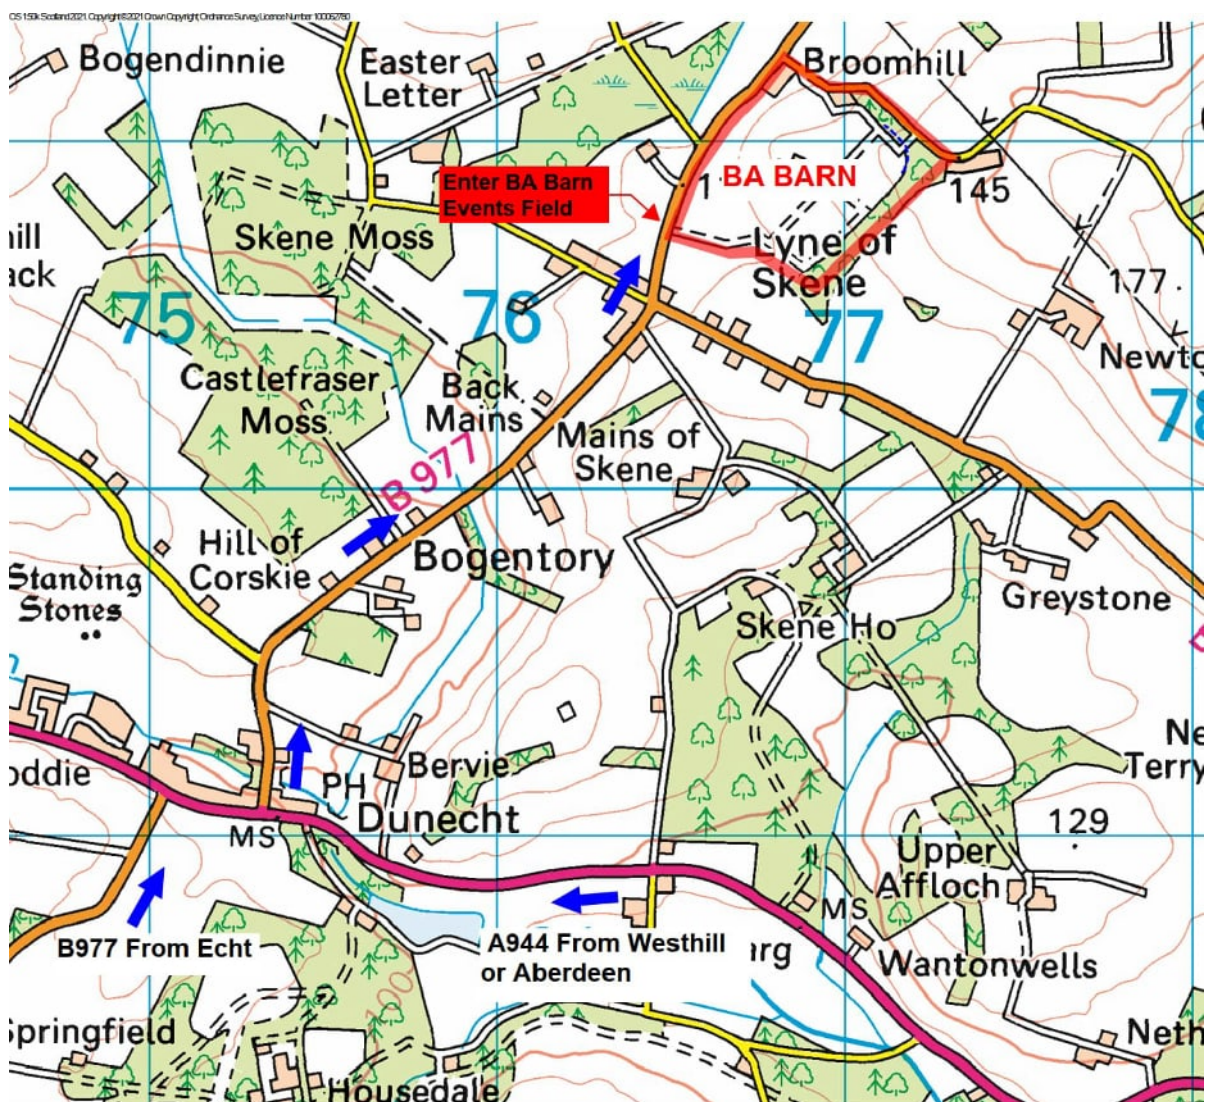

Follow A944 for 0.2 miles ,turn left past filling station SP Lyne of Skene, Kintore B977

1.22 miles Lyne of Skene, 0.13 miles Turn left into BA Barn Events field.

Total distance approx 15 miles.

FROM ABERDEEN OR WESTHILL

Take A944 from Aberdeen via Westhill to Dunecht Approximately 11 miles from Aberdeen, 6 miles from Westhill. In Dunecht turn onto B977 to Lyne of Skene after 1.35 miles turn right into BA Barn events field.
