

INFORMATION LEAFLET FOR SERVICE CREWS

For the safety of yourself and others please REMEMBER.....

- A COMPULSORY 5mph SPEED LIMIT applies throughout the Service Area FOR ALL VEHICLES.
- Be aware that the Public have pedestrian access to the Service Area

No
smoking

- The Service Park is a STRICTLY NO SMOKING AREA.

DO NOT REFUEL IN SERVICE PARK.

REFUELLING IS ONLY PERMITTED IN DESIGNATED REFUEL ZONE.

- Store the minimum fuel required for the event
- Store all fuel in the approved containers, away from sources of combustion and protected from damage.
- Fire extinguishers are provided for your safety – note where these are located and don't remove them unless required in an emergency.

- A medical team is provided on site
- It is your responsibility to find out its location
- Contact them promptly in case of emergency.

- All electrical equipment leads and plugs/sockets used externally should be weather-proof.
- Generators should preferably be diesel powered.
- When in use, generators must be located away from any flammable materials and where contact with hot exhausts is prevented.
- Generators must not be refuelled when hot – wait until they cool.

Help us keep the Service Area safe for everyone.....

If you consider something to be a potential hazard inform a Service Area Official so we can take the appropriate action.
