Subject: Stewards Decision No. 2

Document No: 2.4

From: *The Stewards*

To: **The Competitor BRENDAN CUMISKEY of Car No.64**
Crew Brendan Cumiskey / Arthur Kierans

Number of pages: 2

The stewards, having received an email request from competitor #64 Brendan Cumiskey, have considered the following matter and determined the following:

Fact: Competitor n°64 confirmed his withdrawal after the publication of the entry list.

Decision: **The stewards consider the reason for withdrawal not to be a case of force majeure.**

Consequently, the entry fees will not be refunded by the organizer.

Reason: The stewards received an email, forwarded by the CoC, from competitor 64. In this email, the competitor explains that his codriver (Arthur Kierans) was unable to obtain the ECG stress-related test in time due to limited availability within the local jurisdiction. This test is required in accordance with the local ASN (Motorsport Ireland) regulations for obtaining an international license for individuals over the age of 60 and is a requirement to compete in Rally Poland in line with local ASN rules.

The stewards consider that it is the responsibility of the competitor to get his international license before the start of the event. The necessary procedures to get the licenses must begin as soon as possible, since the necessary time to get the license may vary depending on different reasons. Consequently, the competitor must start this process well in advance to be sure to complete the process on time and to be sure that the license will be issued before the start of the event by his ASN.

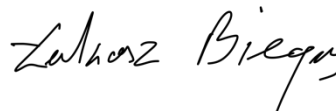

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
