16. Shakedown.

In accordance with Art. 22.1 of the R.D. of the CERT-Rallycar - Shakedown - Technical Tests, the Organiser has planned a Technical Test - Shakedown prior to the Rallye. The programme of the Shakedown appears in the present Particular Regulations of the competition. The outward distance to this test from the Assistance will be 10,12kms, the link between finish and start will be 3,74kms. The work park for the Shakedown will be specific for this one next to the start of the stage.

The registration fee for the Shakedown will be 200 euros if the obligatory advertising is accepted and 100 euros if it is not accepted.

The Shakedown will take place on the Friday of the rally and will last two hours. Priority drivers will be allowed 8 runs and non-priority drivers 6 and the length will be 4km. The start will be at 13:00 for all drivers.

17. Qualifying timed section.

The qualifying timed section for the 4RM vehicles will be held on Friday 19th July at 15:15 according to the following articles:

17.1. The starting order will be that of the entry list.

17.2. At the end of the timed run, the participants will be left in a closed park.

17.3. The choice of place will be made before the start ceremony of the rally at the time and place specified in the Rally Programme.

17.4. If a rider does not show up for his choice of starting order, is late or does not finish, he will automatically become the last rider to choose.

18. Teams Safety.

The provisions of the Sporting Regulations and Annexes 3 and 11 of the S-CER shall apply.

19. Environmental code.

The rules and recommendations prescribed in the Environmental Code of the Royal Spanish Motor Sport Federation are recalled in order to improve the relationship between motor sport and the environment.

Particularly important are the recommendations contained in point 1.9 of the aforementioned Environmental Code.
