12.5 Restart

The restart will be allowed at TC Service OUT.

On demand, the restart officer will attribute a time for restart at TC Service Out.

Important change

Given the increase in the number of starters, the organiser decided to increase the regrouping time at Nieuwkerke to 30 minutes (instead of 25 minutes) and to reduce the service time at Poperinge to 35 minutes (instead of 40 minutes). This adjustment has not been implemented in the road book. However, the time cards have been adjusted and are therefore correct.

As a result of this adjustment, KP Busseboom's departure time will be 5 minutes later each time.
