4. ENTRIES

4.1 Closing Date Entries

The closing date of the entries is on **28th April 2024 at 23:59 (CET)**.

4.2 Entry procedure

Those wishing to participate in the 2024 Bernard Degroote Monteberg Rally must register and duly complete the electronic entry form published on <https://autorally.lv/belgium2024/Entry/> before the closing date of entries.

4.3 Number of accepted entries and cars

4.3.1 A maximum of 130 participants will be admitted to the START given the number of entries.

The organiser reserves the right to increase the number of entries according to the number of entries. Priority will be given to pre-registered participants who have paid. From the moment the maximum number of participants is reached at pre-registration, a reserve list will be created and the complete list of pre-registration will be sent to the VAS secretariat for confirmation.

If the maximum number of participants is not reached, registration on the day of the competition is still possible on payment of a 20% supplement to the registration fee.

The organiser has the right to refuse the registration of a participant after issuing the motivated reason in writing to the Panel of Stewards.

4.3.2 Allowed cars

All participating cars must comply with the technical and safety requirements of the VAS regulations. The participating cars must be in order with the regulations of the road code and therefore have a valid registration certificate, a valid insurance certificate, a valid inspection card and a valid VAS pre-inspection certificate.

This fee includes all documents and materials such as roadbook, start numbers, etc.

4.5 Payment

The registration fee payable in euros (€) must be paid by bank transfer to the following bank account:

Account holder: Superstage vzw
IBAN number: BE77 3200 0624 4042
Bank name: ING Belgium
Bank address: Avenue Marnix 24, 1000 Brussels
BIC code: BBRUBEBB

Make sure that the "name driver/co-driver MBR 2024" is the reference on the bank transfer form and at the latest on April 28th 2024.

The fully completed online form must be signed, fully and correctly completed and delivered by post to the address no later than 23:59 on April 28th 2024:

SuperStage vzw
Korte Torhoutstraat 35
B-8900 Ieper

5. START PERMISSION, INSURANCE

5.1 Start permission

The duty manager will deliver the starting permit to each team after the insurance premium and the contribution to the operating costs of the federation (VAS vzw) have been settled.

The total starting fee is **€270.00**. This sum is payable in cash and in cleared funds at the administrative control to the appointed manager.

Participants with a RACB licence must pay a VAS administrative fee of €65.00 to the appointed manager.

A fee of €10.00 per team will be requested at the administrative control. This amount goes in full to the security posts.

It is also possible to pay by bank card via a terminal provided by the VAS. This only for the start admission, not for the entry fee to the organiser.

5.2 Insurance

AXA Insurance, police number 700.558.685

6. PUBLICITY

Participants are obliged to affix all publicity imposed by the organiser with penalty of double entry fees. The compulsory publicity must be affixed in the places designated by the organiser from the technical control until the end of the competition.

Competitors must affix a sticker "Geodynamics" (size 30x10cm) on the underside of the rear window.

7. SERVICE PARK and REPARATIONS

- The service park will be accessible from 2pm at the earliest on Saturday 4 May 2024.
- Registration for the service park is mandatory at Vlaanderenlaan, Poperinge (see plan on the website/Sportity). The organisation will then allocate the participant a place according to established plan.
- Teams with several participating cars that wish to stand together for service should contact the organisation in advance via the e-mail address servicepark.mbr@ypresrally.com, this before 1 May 2024.
- No trailers will be allowed in the service park. Trailers must be placed on the parking lane of the Poperinge Ring Road (Noordlaan, Oostlaan, Zuidlaan, Westlaan). Participants stationing trailers in service park will be fined €25. See plan on the site.
- For each participating car, there will be space for the rally car and one service car which must always have the "service" passage ticket stuck visibly behind the windscreen.
- Only cars with the "SERVICE" pass will be admitted to the Service Park.
- Additional proof of passage "service" is available for € 50 each. If a car is in the service zone without the above-mentioned transit ticket, a fine of €125 will be imposed (VAS Chapter 6 Art 22).
- Have respect for residents. They should always be able to enter their property.
- There is a speed limit of 30 km/h in the service zone.
- The driving lane in the service area must remain clear at all times.
- The use of a ground sheet is compulsory. VAS regulations (VAS Chapter 6 Art 22).
- If the above guidelines are breached, the pilot of the offending team may be withdrawn from competition.

Waste and cleanliness

You will have a neat service area, rubbish containers and toilets are provided at the service area. Provide waste bins in your zone for trash and cigarette butts, after the race empty them into the containers provided so that the area is clean when you leave it. Checks will be made after the competition, and costs will be charged for areas that have not been cleaned up.

8. REFUELING and PROCEDURES

It is prohibited at all times to refuel in the Service Park or in any place not provided.

For environmental and safety reasons, refuelling is not allowed in the Service Park (no fuel from jerry cans, drums and the like). Fuel may only be refuelled at the location shown in the road book.

It is recommended that mechanics wear fireproof clothing during refuelling. If not, they should wear clothing that provides adequate protection from flames with at least long trousers, long-sleeved tops and closed shoes.

It is recommended that the crew disembark during refuelling.

Refuelling is done in the REFUELZONE provided on the link road at all times:

- At intersection of N308 Poperingseweg and N38 Noorderring

GPS coordinates N 50°51.095' E 2°50.700'

Indicated in the Roadbook at 6.89 KM after TC Service OUT. Teams not strictly adhering to this rule will be withdrawn from the race.

9. RECONNAISSANCE

Reconnaissance is only allowed on Saturday 4 May 2024 from 10am to 7pm with a standard car, without roll cage. Maximum 2 passages per participant, controlled by the entrant.

The organiser will remind participants that the Highway Code applies during the entire reconnaissance. See also the penalties regarding reconnaissance in the VAS sporting regulations. No reason will be accepted in the event of a breach.

10. ADMINISTRATIVE CHECKS

Date: Saturday 4th May
Time: 09.30 – 14.00
Location: Schuttersclub Eedelen Ridder Sint Joris
Address: Ouderdomseweg 9A, Poperinge

Documents to be presented

- Valid competition licence and driving licence of driver and co-pilot (non-EU resident pilots and co-pilots must present a driving licence valid in the EU)
- Identity card/passport of driver and co-pilot
- Registration papers of the rally car
- Insurance of the rally car towards third parties ("green card")
- Completion of all information on the entry form including signatures of all parties

11. SCRUTINEERING

Date: Saturday, 4th May
Time: 13.30 – 19.30
Location: Bouwwerken Christophe Samyn
Address: Frankrijklaan 18, 8970 Poperinge

Extinguishers

There must be an approved fire extinguisher (powder type ABC standard EN-37) of at least 6 kilograms in the immediate vicinity of each competition car. Location of the fire extinguisher must be indicated by a matching pictogram of min 20x20 cm at a height of 2 metres.

In the absence of this extinguisher/pictogram, an exclusion will follow.

The fire extinguishers of the service park must also be presented at the technical inspection for inspection and provided with a sticker with competition number (provided by the organiser on administrative control).

12. ADDITIONAL ELEMENTS

12.1 Shakedown

No Shakedown will be organised.

12.2 Time Cards

Be handed in to the administrative controls.

The board booklet of the last ride should be handed over to time control 11A "Parc Fermé IN".

12.3 Early Check In

Exceptionally, competitors will be allowed to clock in early to TC11A.

12.4 GPS-tracking system

Tracking systems will be installed in the cars on Sunday 5 May 2024, just before passage to SERVICE OUT. For this, please be present five minutes before your ideal time to TC so that the installation can be carried out smoothly.

12.5 Restart after withdrew – VAS regulation Chapter 6 (Rally/RS) art 23/20

A competitor who has not finished a section (part of the Rally separated by regrouping) may be allowed to start a subsequent section.

Any competitor wishing to restart in a subsequent section must confirm his intention to the Clerk of the Course.

Any competitor giving up during the last section of the Rally will not be included in the final classification.

Any car unable to finish a section according to the rules in force may be repaired at the discretion of the competitor. After repair, the car must be presented in the closed vehicle park prior to the start of the next section at the latest before the ideal departure of the car from this section.

The car must have the same chassis and engine as those presented at the technical inspection before the start, as well as all sealed parts. The competitor must be represented during this new technical inspection.

Any competitor who voluntarily gives up with the apparent intention of gaining an advantage will be condemned by the Sports Commissioners who will not allow them to restart. The Sports Commissioners may impose an additional sanction on the competitor and/or crew concerned.

Penalties

For all teams restarting, a time penalty of 10 min will be imposed for each stage not run.

That penalty time will be added to the fastest time achieved in the pilot's class for each missed special stage, including the special stage on which the crew has given up.

12.6 Damage

Any damage caused by the competitor before, during or after the race towards third parties or other competitors must be reported in writing to the race committee as soon as possible.

After a road withdrew with damage, the competitor is obliged to contact the technical committee to have his car inspected for the next section. This inspection will take place in the service park.

12.7 Alcohol control

Any person (pilot and/or co-pilot) participating in a competition organised under the responsibility of the Vlaamse Autosportfederatie may be subject to alcohol checks before and/or during the competition. These are carried out by a factfinder mandated by the VAS for this purpose. The sports federation applies a zero tolerance (0.00 sports regulations Chapter 4 General Regulations Article 2 point 6). This means alcohol content must be 0.00 promille. If the first test is positive, a second test is carried out with the 'pipe' so that the correct amount is known. In case of a positive result (pilot and/or co-pilot), an immediate out-of-competition suspension of the team follows. Breathalyser used: Alco-

sensor-FST serial numbers: 071333 and 071328, with valid calibration certificate issued by the Belgian Measuring Institute.

13. RESULTS, PRICES, AND TROPHIES

The award ceremony will take place at the podium for the top 3 at 18h30.

The awards ceremony for other participants will take place at 19h15 at HQ, Ouderdomseweg 9A, 8970 Poperinge.

Cups are provided for the first three of each division (1-2/3,4 and 5) and the winners of each class and first lady.

Cups not collected on 5 May can be picked up from Tuesday 7 May at the organiser's office - Korte Torhoutstraat 35, Ypres.

14. FINAL SCRUTINEERING

The eventual final scrutineering will take place at:

J&O Motors

Address: Groot-Brittanielaan 6, 8970 Poperinge
