9.1.4 Reconnaissance Tracking

All competitors will be tracked during Reconnaissance. At Reconnaissance Registration each Driver and Co-Driver will be given a Tracking Device which must be fixed to their Reconnaissance Car windscreen and must remain in place for the duration of the Reconnaissance.

The Tracking Device must not be switched off at any time during Reconnaissance.

Penalties for Reconnaissance infringements will be at the discretion of the Stewards.

All tracking devices used on Reconnaissance must be returned to Rally HQ admin desk by 17:30 on Friday 1st September 2023.

12.7 Refuelling

Competing cars may only be refuelled using commercially available pump fuel at roadside filling stations specifically indicated in the roadbook, or in the refuelling zones provided by the organisers. No refuelling from cans, drums or similar is permitted in the Service Area or any other area outside of the defined Refuel Zones. **Competitors are not permitted to use their own refuelling systems inside the Refuel Zone:**

The Refuel Zone provided by the organisers will comprise of Vital Equipment who will be dispensing fuel within the area. Details of the fuel available can be found in [Article 8.2](#).

Competitors are permitted to use their own fuel and refuelling systems inside the Refuel Zone, in the self-refuelling area. Competitors are required to comply with the Highway Code and Health and Safety Executive rules regarding the transportation of fuel on the Public Highway.

The responsibility for refuelling is incumbent on the competitor alone. Only two team members in addition to the crew may enter the Refuel Zone for the purposes of refuelling the car.

In order to access the Refuel Zone all personnel involved in refuelling operations must wear clothing that provides adequate protection against fire and includes at least: long trousers, long-sleeved top, closed shoes, gloves and a balaclava, all in accordance with FIA Regional Rally Sporting Regulation Article 61.2.3.

No person should be in the vehicle when refuelling is taking place and the engine ~~should~~ **must** be switched off. Fuel should not be poured straight from a can and a hand pump must be used in the first instance, then either a funnel or other appropriate pouring attachment must be used.

In accordance with Article 58 of the FIA Regional Rally Sporting Regulations 2023:

EMPTYING AND/OR REFILLING THE TANK IN THE SERVICE PARK When necessary as part of service (***i.e changing of fuel tank, changing of fuel pump, changing of fuel filter, changing of any other item of the fuel circuit***) ~~that changing a fuel tank or any item of the fuel circuit,~~ emptying and/or refilling is permitted in the service area, provided that:

- The work is carried out under the knowledge of the organisers, who are to be informed in writing in advance
- ***Fire extinguisher with operator on standby to be provided by the competitor.***
- No other work is carried out on the car while the fuel circuit is open and/or empty and/or refilling
- A suitable safety parameter is established around the car
- Only sufficient fuel is added to reach the next refuel zone
