1. RALLYAPPLIVE

As intimated at Additional Competitor Briefing of 20:30 Friday, owing to emerging logistical challenges with regards to the intended Anubesport Spica III tracking & timing system, should the intended system not materialise in sufficient time, in consultation with the Stewards of the Event, FIA Road Sport Department and FIA Observer, the organisers have begun preparation of a backup system, namely the **RallyAppLive** mobile telephone app.

This is among the more proven GPS rally timing systems in United Kingdom in recent years, and is as utilised by ourselves during our FIA Candidate Event of 2024. Whilst representing a lower timing accuracy / resolution of 1s when compared to the originally intended system, it is nonetheless a known, trusted and reliable system, both for competitors and us as organisers.

Enclosed below is our introduction to the app from the appendices of our 2024 event Supplementary Regulations, inc a number of useful resources on the app:

GPS Timing System – Sapphire Solutions "RallyAppLive" (https://rally.sapphire-solutions.co.uk/)
Android - https://play.google.com/store/apps/details?id=rally.sapphire
Apple/iOS - https://apps.apple.com/gb/app/rallyapplive/id1503161119

App Guide: https://rally.sapphire-solutions.co.uk/guide.php?sitename=demo
App Overview: https://rally.sapphire-solutions.co.uk/RallyAppLive%20Solution%20Overview.pdf
User Guide: https://rally.sapphire-solutions.co.uk/RallyAppLive%20Instructions%20V14%20generic.pdf

As mentioned at Additional Competitor Briefing, mindful that this system will be new to a number of competitors, the organisers will be hosting an optional Q&A session specific to RallyAppLive queries, 07:30 at MSIP, prior to the mandatory main briefing at 08:00.

Further to concerns raised with respect to the use of the system by non-UK mobile devices / numbers, and associated data roaming impacts, the organisers will consider procurement of a set of additional ~10 SIMs for crews similarly so affected.

Further information on the use or otherwise of Anubesport or RallyAppLive tracking, will be advised at the mandatory competitor briefing of 08:00.

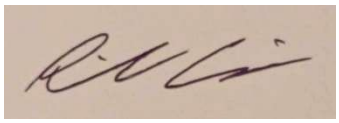

2. CATERING AT MSIP – SATURDAY 26 JULY

Mindful of the 07:15 bus to MSIP, and that breakfast does not start at Four Points Flex by Sheraton until 07:30, the organisers have arranged a breakfast service at MSIP, starting at 08:00 after competitor briefing, courtesy of Silva Spoons Café, consisting of filled rolls, teas and coffees, plus a small selection of vegetarian/vegan options.

Upon return to Parc Fermé at MSIP on the evening of Saturday 26 July, Silva Spoons will also be hosting a buffet dinner, consisting of Cottage Pie, Stovies with Oat Cakes, and Tablet Ice Cream, plus a small selection of vegetarian/vegan options.

3. DOCUMENTATION

Written competitor briefing, Knockhill (Saturday 26 July lunch) meal tickets, and timecards for the event, will be issued at / upon completion of the 08:00 competitor briefing, to take place within the Event Space of MSIP.
