Penalty for Exceeding the Authorised Speed By More Than 20 kph and Below 30 kph

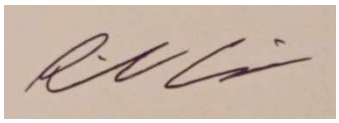

Having received a report from Race Control and GPS in which a speed of vehicle #9 was detected at 125 km/h when the maximum speed allowed at that location was 96.56 km/h (60 mph), thus having an excess of more than 20 kph and below 30 kph, Art. 6 of the SPORTING REGULATIONS of the 2025 Bridgestone FIA ecoRally Cup is applied, which indicates the following:

The following penalties are automatically applied by the Clerk of the Course:
- Exceeding the authorised speed:
• by more than 10 kph and below 20 kph: 100 euros and + 2% on energy performance index result;
• by more than 20 kph and below 30 kph: 200 euros and + 4% on energy performance index result;
• Over 30 kph : 300 euros and + 6% on energy performance index result

Therefore, applying said article, a penalty of 200 euros and + 4% on energy performance index result is imposed. The details of the Race Control are indicated:

Richard Crozier

Clerk of the Course
