Eco RALLY SCOTLAND 25-27.07.2025

DECISION nº2 posted at: 20h40

From: The Stewards **Date:** 26.07.2025

To: All competitors entered in Category 2 **Time** (decision): 20h30

The Stewards, having received a report from the Clerk of the Course, and after having checked all the available evidence, have considered the following matter, determine the following:

Time (fact)**:** 15h20

Session: Leg 1. Stage 5

Fact: At least 4 of the cars competing in the Category 2 were blocked in a narrow section of the Regularity Stage 5 by another car which was not involved in the event.

Decision: The Stewards have decided to cancel the Secret Control penalties for **all Category 2 competitors** in Regularity Stage 5, from Secret Control No. 9 onwards until the end of the stage.

Reason: Having considered the matter extensively, the Stewards conclude that an unforeseen vehicle not involved in the race blocked a significant number of category 2 competitors on stage 5. These participants experienced varying degrees of impact from Secret Control 9 to the end of Stage 5. Consequently, the stewards consider that the fairest decision is to cancel the Secret Controls for all Category 2 participants from Secret Control 9 to the finish of Stage 5.
