

Rixy Stages 2025 Competitor Final Instructions

22nd December 2025

Interclub Single Venue Stage Rallying permit number 205113

1) Stewards

The following changes have been made to the officials:

- Alan Barnard is now Motorsport UK Steward instead of Event Steward.
- Chris Deal and Ian Hattersley are Event Stewards.

A reminder that the safeguarding officer for the event is Stuart Kingham, 07710 040918

2) Scrutineering and Rally Locations

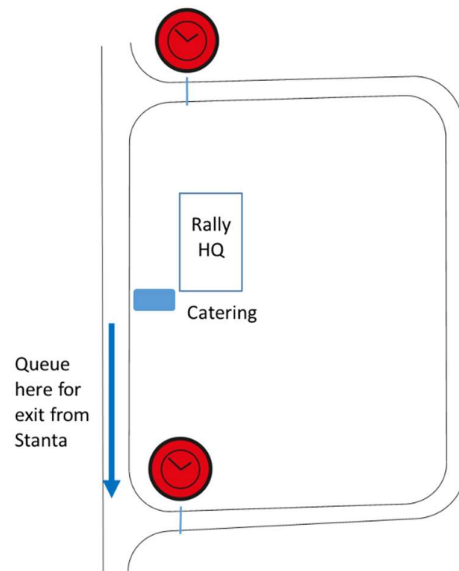

Scrutineering and Signing On are at Thetford International Compactors, south of Thetford just off the A134. The rally is at the Stanta MoD site north of Thetford. See the maps at the end of this document.

When approaching and leaving Stanta, please drive slowly and quietly along the minor road from the A134 to the entrance to Stanta. There are some houses next to this usually quiet road.

3) Entry to and Exit from Stanta

The access route to and from the service area uses part of the stage route. Because of this it is not possible to enter or leave the site whilst the stages are running. The entrance gate will be open from 05:30 to 07:30. Please ensure you are in the service area by 08.00 at the latest.

If you retire and are ready to leave before the lunchtime turn-around of the stages, there will be an opportunity to leave at that time. Anyone doing this will be escorted out in a convoy. Please queue as shown in the diagram, we aim to leave shortly after the last car has entered SS3. Ensure that you have completed and handed in your damage declaration first.

4) Service area reminders

Competitors must use a groundsheet or similar covering underneath their vehicles whenever it is in the service area, to prevent any fluid leak or spillage from contaminating the ground. Fuel must be pumped not poured. (SR 21)

Cars that are being run on axle stands or similar, for example to warm the transmission, must have a responsible person at the wheel whenever this is happening. There have been instances on other rallies of vehicles coming off the stands and causing a serious safety hazard.

There is no fuel available at Stanta, and as above you will not be able to leave and return during the rally. Please ensure that you have all the fuel you need before you arrive – there is a list of nearby filling stations in the SRs. (SR28)

Slicks Tyres will be present in the service area, 0114 247 0485

5) Video, including in-car

Any video taken must only be used for personal viewing and NOT posted or streamed online. This is an MoD requirement for our use of the venue. There is an official photographer and videographer who will produce photos and videos that are compliant with MoD requirements.

6) Time Schedule

Scrutineering and Signing On is from 14:00 to 18:00 (27th Dec.)

Stanta entrance gate is open from 05:30 to 07:30 (28th Dec.)

Approximate timing of the rally – times given at time controls will take precedence over this.

Ref	Name	First car due at MTC / SSS	Last car due at SSF
MTC1		08:57	
SS1	Oakwood Farm 1	09:00	10:12
SS2	Eastmere 1	09:32	10:32
MTC3		10:14
