

Rixy Stages 2025 Bulletin no.3

23rd December 2025

1. Entry passes for Stanta have been emailed to each entrant. Please print or take a copy on your mobile for each vehicle that you have registered with us. This will need to be shown at the entrance gate. Do not pass them on to people who are not registered as part of your service team – marshals and officials have their own passes.
2. Tracking devices will not be used and so this will not now be a part of scrutineering. (SR8)
