UPDATED VERSION : 12.09.2024

1.ENTRIES

All entries must be made on www.endurogp-registration.com. All other information relating to the riders, team, sponsor and the brand of the machine shall be completed.

The entry must include the entry fee payable by bank card, via a secured system. The entry form will be valid once the payment has been made.

Entry fees will be of 375 EUR/ Male Rider, 275 EUR/Women & Youth for the 3 days.

Entry fees for the Enduro Open Class will be of 200 EUR. The renting fees of the transponders are included in the entry fee.

All entries must be received before 23rd of August (21 days before the first day of the event). Or will be possible after this deadline with a fine of 50 EUR (30 EUR for Open World Cup) per entry.

Local organiser is responsible of the National race entries. Those entries included the rent of transponders.

All riders not affiliated to the FMNR must have their entry form endorsed by their own National FMN.

The riders must also sign the official signing-on document on site in order to appear on the official starting list.

2.ADMINISTRATIVE AND TECHNICAL CONTROL

The administrative control will take place:

Date:	13rd of September	Time:	11:00 – 14:00	Place:	BRIOUDE City Hall
--------------	-------------------	--------------	---------------	---------------	-------------------

The technical control will take place:

Date:	13rd of September	Time:	11:30 – 14:30	Place:	BRIOUDE City Hall
--------------	-------------------	--------------	---------------	---------------	-------------------

During the registration, transponders, holders & mounting instructions will be distributed to participants who are not already in possession of the correct support. The cost of each holder is included in the transponder renting fee.

Each machine must be road legal for the country in which it is registered and comply with all requirements of the FIM Sporting Code and relevant Appendices. Intrinsic parts will be marked in accordance with Art. 062.22.1 / 062.23.1. A sound test will be carried out in accordance with the Technical Rules.

When public highways / roads are used then it is the sole responsibility of the rider to ensure that their machine is roadworthy and that they and their machine comply with all legal requirements including their Drivers Licence and a valid liability insurance for the motorcycle.

At the Technical Inspection the rider must submit his motorcycling according to article 062.21 – 062.23, the original registration certificate of the bike (with frame number) and the vehicle registration plate, together with his helmet and body protector.
