## 1. ELETRÃO POINT

We ask everyone to bring along a used appliance for recycling, which should be deposited at the “**ELETRÃO POINT**” located near the commercial area. The appliances will later be sent by the municipality of Valpaços to Sociedade Ponto Verde for recycling.

**EXAMPLES OF PRODUCTS TO BRING FOR RECYCLING:** hair dryers, toasters, printers, cables, wires, computer mice, lamps, electric coffee makers, small tools, etc.

## 2. DRAWING CONTEST

4th grade kids had a drawing contest and 12th grade a photography contest. Their work will be displayed in the paddock, and we invite you to visit.

Also, we ask the winner of EnduroGP class, on Saturday and Sunday, to donate a signed Jersey to be given as first prize to the winners of the drawing contest.

## 3. SHOWCASE OF REGIONAL PRODUCTS

Included in the program KISSValpaços, in association with the Valpaços Municipality and local organizer, USPRIGOZUS we have organized a showcase of regional and traditional products near the paddock.

We invite you to visit it, buy and taste all those amazing delicacies. We will have products such as local wine, olive oil, honey, jams, bread, olives, chestnut beer, smoked products (sausages and ham), dried fruits and nuts and the traditional “folar” (bread stuffed with smoked meats).
