

ATTENTION TO ALL TEAMS & RIDERS

20-05-2026

Dear all,

✈️ Welcome to Finland for the third round of EnduroGP 2026. We hope your trip was pleasant and that you arrived safely.

📌 Important Information

Please be advised that Finland enforces very strict environmental regulations 🌱. In this regard, the local organizer kindly requests the cooperation of all teams and participants in complying with the following requirements:

- ◆ Drilling into the asphalt is strictly prohibited;
- ◆ The discharge of wastewater or sewage onto the ground is not permitted (dedicated disposal containers will be provided on site);
- ◆ Waste separation and recycling ♻️ must be respected at all times.

⚠️ Please also note that local authorities may carry out inspections in the paddock area to ensure compliance with the above regulations.

⚠️ 🚔 Please also be aware that there will be significant police presence on the roads during the event, and regular speed controls will be conducted. We kindly ask everyone to strictly respect all traffic regulations and speed limits.

🚗 Rental cars will not be permitted inside the paddock area. **Access will be granted exclusively to service vans.** Passenger cars, including those displaying a service pass, will not be authorized to enter the paddock area.

P Please be informed that sufficient parking spaces are available outside the paddock area.

As movement within the paddock is limited, we kindly ask for your understanding, cooperation, and strict compliance with these measures 🙏.

Should you require any further information, please do not hesitate to contact us.
