The Stewards after receiving a report from CoC:

Applies:

Competitor: WALDHERR MOTOR-SPORT TEAM
Crew St. No.: 47
Crew: Maximilian LICHTENEGGER / Gerald WINTER
Part of the rally: SS 13

Fact: The competitor n° 47 ran off the road on SS 13 and hit a spectator. The competitor continued without stopping to check on the spectator.

Offence: Alleged breach of article 53.4 of the Regional Rally Championship Regulations and late arrival into the TC13A.

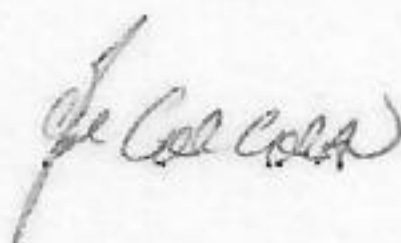

Decision: No further action

Reason: The stewards received a report from CoC concerning an incident involving car n°47 and a spectator on SS13. After hearing from the Driver and Codriver of car n° 47, and after viewing the available video evidence, the Stewards conclude that the crew could not have realized they had hit a spectator during their off-roading at SS13. Additionally, the crew did not receive any instruction or warning concerning an injured spectator. Consequently, the stewards consider that no further action is necessary. Time penalty for the late arrival into the TC13A is cancelled.

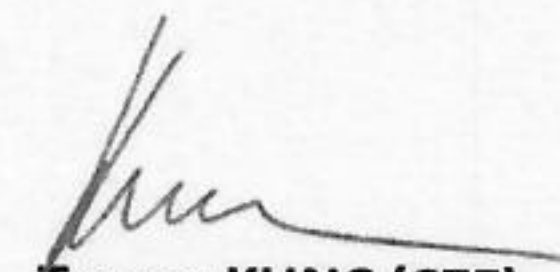

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
