CANADIAN ASSOCIATION FOR RALLYSPORT

TRAFFIC MANAGEMENT PLAN

Kananaskis Rally — November 8, 2026

Background:

This Traffic Management Plan is for the Kananaskis Rally, an event that is sanctioned by the Canadian Association of Rallysport (CARS).

Stage Rally events use a combination of closed roads for the competitive stages and open public highway to transit from one competitive stage to the next, or to and from the rally headquarters/service area at the start and end of a leg.

The competitive stages on closed roads are not the subject of this plan. The transits that occur on open public highways are non-competitive use of the highway by rally vehicles. Competition vehicles are exempt from Vehicle Equipment Regulation (AR 122/2009) under a permit issued by the Director, Vehicle Safety, Safety and Compliance Services, Alberta Transportation. The vehicle registration exemption allows individual vehicles to operate under this Traffic Management Plan at CARS sanctioned events within Alberta, without the need to be registered provincially.

General Procedures:

- Entrants will be issued a route book. The route book will identify the transit portions of the event.
- Transit time allowances for each transit section have been calculated as per our written ruleset. Entrants are given this information in the route book. These time allowances are based on the vehicles travelling at 80% of the posted speed limit plus a further three minutes time allowance per transit section.
- Penalties will be administered on entrants that are found speeding on transits or arrive early at the end of the transit destination.
- The event organisers will be tracking each entrant's location, direction of travel, speed and status through a GPS tracking system. This system is available to the public as well as to the entrants and organisers. This can be found at www.rallysafe.com.au/.
- Competitors will be issued the contact information for local resources including Emergency Services, location of nearest medical facilities and contact information for the event organizers.
- Rally vehicles will not be arranged or dispatched in convoys. Spacing of between one and two minutes between rally vehicles is maintained throughout the event.
- Entrants will be required to follow the transit routing entirely without deviation.
- Entrants will not be allowed to reroute to gas stations for refueling or to services for repair or supplies, while on transits.
- Roadside signage will be placed on transits to advise the public of rally traffic in the area. These signs will be a minimum of 60 cm by 60 cm and shall read "Rally Traffic Ahead", "Special Event", "Event Vehicles on Roadway" or similar wording.
- The distance between roadway signage shall not exceed 35 km.

Breakdown & Recovery Procedures:

- The transit route will be travelled by course clearing vehicle(s) at a maximum of two hours prior to the expected arrival time of the rally vehicles to identify any area specific risks.

- The transit route will be travelled by a minimum of one course car following the passage of the last entrant's vehicle to "sweep" for any breakdowns.
- In the event that an entrant's vehicle becomes immobilized on a transit, the entrant will be required to:
    - Deploy a minimum of two Hazard Warning Triangles at distances of 50 to 200 metres from the rear of the vehicle.
    - Contact the Event Officials either through cellular telephone contact, GPS communication or through other competitors, of their situation and recovery requirements.

Incident Procedures:

- All CARS licensed occupants of rally vehicles in CARS sanctioned events are trained in Basic First Aid.
- In addition to the requirements of the Motor Vehicle Act, the entrants will be required to:
    - Inform the Organizers of any incidents that involve collision with another vehicle or pedestrian.
    - Provide assistance and/or obtain assistance resources to the incident through GPS, cellular or dispatch means.
    - All entrants' vehicles will be required to carry first aid kits.
    - All entrants' vehicles will be required to carry a minimum of two 5BC fire extinguishers.
    - All entrants' vehicles will be required to carry a seat belt cutter and a window hammer.
    - All roadside signage will be removed immediately following the conclusion of the event.

Any issues that arise during the event should be directed to the Clerk of the Course, Chris Braun at 403-880-7574, braunc@hotmail.ca.

Many thanks for your cooperation. Any questions that arise from this plan should be directed to Ryan Chipchase, Kananaskis Rally Organizer of Record at 403-589-2742, rtc.fd3s@gmail.com.

Car Number _____ Person assessed _____ Person assessing _____

Tool for recognizing a possible concussion

This tool does not determine whether a person has a concussion or not. It simply exists to help to increase suspicion of potential brain injury.

If there was **any** period of loss of consciousness during the crash, individual should be seen by event medical staff.

If individual has any neck pain, do not remove helmet unless trained to do so. They should be seen by event medical staff.

Are they alert and oriented? Delay in giving answer counts as incorrect answer

	Time:		**15 minutes later**	
Questions to ask	**Answered correctly**	**Answered incorrectly**	**Answered correctly**	**Answered incorrectly**
Can you tell me your name?				
What year is it?				
What month is it?				
Can you tell me what happened?				
What Event are we at?				
Who have you raced with this year?				

If any of the above questions are answered incorrectly, the person should be seen by event medical team.

Symptoms

	Time:		**15 Minutes later**	
Symptom	**Not present**	**Present**	**Not present**	**Present**
Headache				
Disorientation				
Unequal pupils				
Nausea/vomiting				
Repetitive questioning				
Confusion				
Drowsiness				
Blurred vision				
Feeling hazy				
Increased anxiety				
Vacant look				
Sensitivity to light				
Sadness				
Irritability				
Balance issues				

CK11/1/2017

If any of the above symptoms are present, person should be assessed by event medical team.
